### New Road to Wayside Is Projected

#### Highway, If Built Would Link Rich Section to Canyon

The Randall County Commissioners Court and Canyon business men are seeking means for putting the Wayside-to-Canyon road in first class condition, according to W. A. Warren, president of the Canyon Chamber of Commerce.

Plans under consideration cover possible shortening of the road, grading, and elimination of objectionable sharp turns, it was understood.

Mr. Warren, who presented the idea to the commissioners through County Judge B. F. Fronabarger and Commissioner A. N. Burgan, believes that an exceptionally rich trade territory would be opened to Canyon by construction of such a road.

In addition to furnishing Canyon people a better roadway to the scenic Palo Duro Canyon, the proposed road would give the Wayside community an excellent, and much needed, highway outlet to larger markets, those interested in building the road say.

The major highway project of the county soon will be out of the way, Mr. Warren believes, and the commissioners court then can center its attention on improving farm-to-market roads in the county.

The Wayside project should be only the first of a series of county road improvements intended to make transportation easier for Randall County farmers, business leaders here believed.

Both Mr. Fronabarger and Mr. Burgan expressed keen interest in the Wayside road idea, according to Mr. Warren. The commissioners court expected to consider the project as soon as present road problems are cleared up, it was understood.

Wayside citizens have indicated their desire for such a road, Mr. Warren said. He discussed the project with several residents of the community this week and received their hearty approval of the idea.

A modern road to Wayside would open the entire southeastern section of the country directly to the county seat, providing easy means of communication except in most severe weather.

#### College Debaters Win One From Oklahoma Team

Friday evening a debate team from the College, composed of Wayne Eubanks and Frank Barnes, who had journeyed to Alva, met and defeated the debaters of the Northwestern State Teachers College of Oklahoma. The question under consideration was stated thus: "Resolved: That a substitute for trial by jury should be adopted." The W. T. debaters upheld the negative side of the question.

There were three judges, including the Dean of Women and the Professor of Economics of the Oklahoma College, and the Superintendent of the Alva Public Schools. Eubanks and Barnes received votes of the three voters. The impressiveness of the victory can be more readily grasped when we take into cognizance the fact that the Alva debaters won first place at a Pi Kappa Delta meet at Norman, and tied for first place at another held at Wichita, in both of which over thirty colleges were represented by both their first and second teams.

**OPENS WATCH REPAIR SHOP**  
H. W. Hartman of Snyder announces in this week's issue of the News the opening of a new watch repair shop to be located in Jarrett's Drug Store. Mr. Hartman has been employed recently in this work at Snyder, but previous to that he was employed by Hugh Whitcomb, Jeweler of Amarillo. Mr. Hartman is a son-in-law of K. A. Britt of Canyon.

Mrs. Phillip Grieser and two children of Granite, Oklahoma, came Tuesday for a visit with her sister, Mrs. Vincent Shuman. They are leaving tomorrow.

#### WARREN URGES QUICK ACTION ON PARK PLAN

**PALO DURO ROAD WOULD BE BIG INVESTMENT.**

Chamber Commerce Also Hears of Interscholastic Work From Director Lockhart.

With three trunk highway outlets and excellent railroad facilities, Canyon is the natural outlet for the proposed scenic highway through the Palo Duro Canyon, W. A. Warren, president of the Canyon Chamber of Commerce, told the organization at its monthly meeting last Thursday night. "It is a big question," Mr. Warren said, "and one that is going to take a lot of effort on the part of Canyon people." Other towns on the Palo Duro will be interested in getting the highway outlet, he said, and only an early start and consistent effort to present Canyon's natural advantages can bring the road through here if it is built.

Mr. Warren made one of two main talks at the monthly dinner of the organization in the Methodist Church. About fifty persons, including many civic leaders and business men, were present.

W. E. Lockhart, director-general of District One, Interscholastic League, who told of league activities, and Mr. Warren were the chief speakers.

Miss Helen Woods, student in Canyon High School, gave two enjoyable readings, and Miss Ruth Strain, violinist, gave two solo numbers which were greatly appreciated. Miss Strain's accompaniment was played by her sister, Martha Strain.

Discussing agitation for a scenic road through the canyons, Mr. Warren said he believed that the Panhandle people must start work of some sort on the project before the state or national governments could be interested.

Eighty thousand East Texas people visited in the country to the north and east of the Panhandle last summer, Mr. Warren said, and development of the Palo Duro as a vacation spot would bring practically all of them to this territory. The park would mean millions of dollars each season to the Panhandle country if the park was properly developed, he believes, and Canyon interests should start a vigorous campaign to assure the town of its share of the tourist travel, he said.

The tourist trade, in the event the Palo Duro were to be made a national monument under supervision of the national government, or a state park, would force Canyon to build a modern hotel, Mr. Warren said. He presented the hotel problem as one which the chamber of commerce should make every effort to solve during this year.

No other state has anything comparable to the Interscholastic League of Texas, either in size or in the scope of work attempted, according to W. E. Lockhart, director-general of District One. More than 5000 schools through the state point toward league work each year, he told the Chamber of Commerce.

In District One, he said, 20 counties and 150 schools are represented in the annual meet in Canyon. The league is a topic of great interest to all these schools, he pointed out, and Canyon receives much publicity for its part in the meet. The meet acquaints many high school and grade school students with the College and encourages them to come here when they graduate from high school.

Thirty-two separate contests, involving nearly 1,000 contestants, are conducted by District One officers here each year, he said.

In addition to the big meet in April, the league also sponsors football and basketball tournaments in this territory, and a one-act play contest each spring. The basketball and play tournaments are held at Canyon.

State officials of the league always have regarded District One as the model of the state, and in frequent letters to Mr. Lockhart and his assistants they have expressed their appreciation of the methods used here.

The influence of the league has (Continued on last page.)

#### Short Illness With Pneumonia is Fatal to Millerman Child

John Kenneth Millerman, 7-year-old son of Mr. and Mrs. John W. Millerman, died at the home of his aunt, Mrs. C. M. Dowlen here Sunday after a short illness with pneumonia. The boy had been brought from his farm home to Canyon to facilitate medical treatment.

Funeral services were held here at the Methodist Church Monday afternoon, and were conducted by the Rev. C. E. Jameson, pastor of the church. Burial was made that afternoon in Dreamland Cemetery.

Besides his mother and father, who have lived in the county for twelve years, John Kenneth is survived by one brother, Harold Dean, 6 years old.

#### More Than 1200 People Take Part In League Meet

Meeting here for perhaps the largest and most carefully planned interscholastic league meet yet to be sponsored by the West Texas State Teachers College one thousand high school students and more than one hundred teachers came to Canyon Friday and Saturday. Practically every county in the Panhandle was represented.

W. E. Lockhart was general manager of the meet. He had to assist him as judges and officials the entire college faculty and members of the student body. Scholastic contests were held in both college buildings and the Methodist Church.

A large number of the high school teachers, principals, and superintendents present at the meet were ex-students of the College. Many had winning contestants.

Amarillo high school's two debate squads were victorious in the finals of the debating division of the meet which concluded Saturday night. The boys' team defeated the team from Texline by a unanimous decision and the girls' squad received a four to one judges' vote against debaters from Canyon high school. The question for debate was "Resolved: That the English cabinet system of government is more efficient than the American committee system in the United States. Winning teams will represent this district at the state interscholastic contests at Austin next month.

Helen Woods of Canyon high school won first place in the senior girls' declamations from city schools. J. J. Deiss of Amarillo won first place in the high school division of the extemporaneous speaking contest.

Those who went to finals in other scholastic contests are as follows:

Declamation: Rural Schools, Junior girls division, Orlene Slavin, Perryton; Malba Callihan, Conway; Junior boys, Marvin Callihan, Conway; Charles Boyd, Electric City; Senior girls, Margaret Rogers, Farnsworth; Hilda Miller, Canyon; Senior boys, John Ingram, Conway; Sidney McKinley, Black.

Declamation, City Schools: Junior girls, Maxine Graham, Miami; Dorothy Hall, Amarillo; Junior boys, Joe Pat O'Keefe, Panhandle; Louis Pitchford, Amarillo; Senior girls, Merline Vaughn, Tulla; Senior boys, J. W. Lyon, Quitaque; William Coffee, Miami.

Essay, Class A High Schools: Dee Blythe, Pampa; J. J. Deiss, Amarillo. Class B High Schools: Bonnie McKee, Booker; Dessie Martin, Kress. Ward schools, Nadine Moore, Claude; Marguerite Wilson, Follett. Rural schools, Hilda Miller, Randall county; Ethel Hart, Ochiltree county.

Three R's Contest: Sarah Forsythe, Potter county; Audrey Talley, Ochiltree county; Hilda Miller, Randall county; Mary Alice Rogers, Randall county.

Typewriting: Follett team; Dalhart team. Individual, Clara Basch, Follett; Maurine LeNeveu and Hollis Schriber, both of Amarillo. All three winners go to Austin.

Little Mary Edwin McReynolds, four-year-old niece of Ray McReynolds is here from Floydada visiting Mr. and Mrs. Ray McReynolds.

Mr. and Mrs. M. B. Thomas of Childress spent the week end visiting in Canyon.

#### WAYSIDE HOST TO 300 CANYON PARK BOOSTERS

**PLAN TO BUILD ROADS IS OUTSTANDING RESULT.**

Armstrong County Asked to Put Highway Between Wayside and Claude.

More than 300 people, including an official delegation of 4 from Canyon, attended a meeting last Saturday at Wayside to consider proposals for making a national park of the Palo Duro Canyon.

W. A. Warren, president of the Canyon Chamber of Commerce; John S. Humphreys, prominent chamber of commerce worker and head of the department of Latin at the College; A. N. Burgan, member of the county commissioners court; and G. G. Foster, real estate man and land owner, were Canyon's official representatives at the Wayside meeting.

The Wayside meeting took a somewhat different tack than the first gathering of people interested in the project, which was held at Amarillo, according to members of the Canyon delegation. Roads into the canyon from towns nearest to it were chief topics of discussion Saturday. Col. Harve Haines, representing both the Amarillo Board of City Development and the Panhandle-Plains, Inc., was the main speaker on the program.

Wayside residents were royal hosts to the large gathering and luncheon was served to everyone present, although the entertainment committee had been left to expect no more than fifty persons.

For the present, Canyon representatives believe, the efforts to create a park in the canyon, will center in attempts to have the area placed in a national forest reserve district, later to be changed into a national monument or park.

Col. Haines said the main objective during the formative stage of the park plans should be the construction of a road from Wayside into the canyon and on into Claude. Other roads, he said, should be built into the canyon from Silverton, Tulla, and Clarendon.

W. D. McGehee of Wayside presided at the meeting and made an address of welcome.

After a short business session at which Armstrong county commissioners were requested to survey a route between Wayside and Claude, closed the formal phases of the meeting.

Practically all visitors took advantage of an invitation from Wayside people to inspect the canyon during the afternoon.

A truck load of cold bottled drinks was furnished the visitors by the Kiwanis Club of Tulla, and the town had a delegation of nearly fifty people at the meeting.

Mr. Burgan was made a member of a committee on roads which is to study possibilities of inlets and outlets for highways on the canyon. Commissioners from Briscoe, Donley, Armstrong, and Swisher counties make up the remainder of the committee.

#### CAR DELIVERIES

C. C. Morris, Ford truck; John R. Gillham, Ford standard coupe; W. M. Cratsinger, 2 Ford trucks; Guy Connor, Ford standard coupe; Lester Blakemore, Ford fordor; F. F. Ferrell, Ford fordor; C. J. Vars, Ford truck; George L. Hall, Ford truck; Walter Dammier, 2 Ford trucks; L. R. Miller, Ford business coupe; Henry Paulsen, Ford truck; I. M. Wester, used Ford roadster; Homer Ball, used Ford coupe; Claude Burnan, used Ford touring; D. E. Lippard, used Ford touring; R. L. Simmons, used Ford roadster; Tom English, used Ford coupe; Neil McMillan, used Ford touring.

F. C. Murray, Ford roadster; H. R. Brown, Chevrolet coupe; Bert Norvelle, Chevrolet coupe; Milton Anderson, Ford roadster; W. W. Rush, Ford coupe.

Mrs. Tracy Service had as her guests Friday her Mother, Mrs. C. G. Landis of Amarillo, her sister, Mrs. A. C. Townes and two daughters of Amarillo, and another sister, Mrs. W. H. Younger, Jr., and two daughters from Tulla.

Miss Allie Hanna of Happy spent Tuesday here with her sister, Mrs. Vincent Shuman.

#### CANYON HOST TO ROTARIANS FROM 6 TOWNS

**LOCAL CLUB SPONSORS FIRST INTER-CITY MEETING.**

Organization's Efforts For Sectional and World Peace Are Praised.

Members of the Canyon Rotary club were hosts to more than thirty-five Rotarians from six Panhandle towns at a dinner given in Cousins Hall Tuesday evening. The affair was one of the first inter-city relations meeting confined strictly to Rotary to be held in this section.

President J. A. Hill and the Canyon club, instigators of the meeting, planned to encourage and develop friendly relations and cooperation between the towns which make up the great Panhandle-Plains area, Mr. Hill told the visitors.

Every member of the Canyon club with the exception of Representative Clyde W. Warwick, now in Austin for a special session of the Texas Legislature, were present, bringing the attendance total to approximately 75 people.

Towns represented were Plainview, Amarillo, Pampa, Lubbock, Dalhart, and Littlefield.

The Rev. L. Burney Shell, pastor of the Presbyterian Church of Plainview, praised the international aspect of Rotary as one of the greatest forces for peace and inter-country friendship ever to exist in the world.

Such meetings as the one held here, he said enables Rotary clubs of this district to know each other better, and either to appreciate each other or gladly excuse whatever faults one town might find with another.

Man has two great duties, the Rev. Mr. Shell said, which he must perform if he accomplishes good. He must know himself, because he has to live with himself, and he must know his neighbor in order to live peacefully and work effectively with him.

Ernest Cabe, winner of first place in the Canyon district division of the National Oratorical Contest, which is being sponsored in Texas by the Fort Worth Star-Telegram, gave his oration at the opening of the program. The boy is a member of the graduating class of the College High School, and is to represent this district in the state contest. His appeal to the youth of America was heartily received by the Rotarians.

All members of visiting delegations were introduced from the floor at the request of Mr. Hill, who was toastmaster at the dinner. Mass singing of Rotary songs proved popular, and Wallace R. Clark, head of the department of Music at the College was drafted as song leader.

An especially interesting feature of the program was the showing of moving pictures taken at the District Convention of Rotary in Ranger. The film was brought here by Allan Early of the Amarillo club.

Bob Murray, president of the Lubbock club, expressed appreciation of the spirit behind the inter-city meeting, and thanked Canyon Rotary for its hospitality. He said Lubbock expected to sponsor a similar meeting there sometime before July 1.

Murray said that the international influence of Rotary, if its developments continues, within the (Continued on last page)

#### PEOPLE IN CANYON TRADE TERRITORY PROMISED ARRAY OF BIG VALUES BY STORES

#### Additional Places on School Faculty Filled by Trustees

Additional teachers for the 1929-1930 session of the Canyon Public Schools were elected at a special meeting of the Board of Education last Friday night, according to A. Cayton, secretary of the Board. Only two other teachers remain to be elected.

Those given positions by the board Friday were: Miss Ruth Russell, Weatherford, Tex., teacher of science in the high school division; Miss Plotilla Hill of Tulla, grade teacher; Virgil Thomas, Canyon, teacher of arithmetic in the grades; A. A. Shockley of Weatherford, Okla., coach of the athletic teams; Miss Erin Gamble, Petersburg, Tex., fourth grade teacher; Miss Gladys McClanahan, Texola, Okla., teacher of the third grade.

Prospects for the next term are excellent from almost every angle, members of the board said. While the heavy burden imposed upon the district by excess attendance still presents a financial difficulty, everything points to a most successful year, school men believed.

#### Great Plains Track and Field Meet Is to Start Tomorrow

No charge will be made for preliminary events of the Great Plains Track and Field Meet which opens here at 4 o'clock tomorrow afternoon in Buffalo Park, according to W. E. Lockhart, co-director of the meet with Mitchell Jones.

The finals, in which nine colleges will contest in the outstanding sports carnival of the plains, starts at 2 o'clock Saturday afternoon. A gate charge of 75c will be made for this section of the meet.

The seventh annual renewal of the Great Plains Track Meet will take place in the Buffalo Stadium on Friday and Saturday of this week. The meet promises to be faster this year than ever before. Tech, the defending champions, though having as good or better team than last year, will be hard pressed by the powerful A. C. C. and Simmons tracksters.

Both of these teams have decisive wins over T. C. U.; A. C. C. tied for first place with Oklahoma A. & M. in the Ft. Worth Pat Stock Show meet. N. M. I. with McCoomis is hoped to cop the dashes but the lad will have a great deal of competition in Hodges of A. C. C. and Keith of W. T.

Southwestern Oklahoma's Teachers have exceptionally strong distance men in Holt and Roberts, both being record holders in their conference; however A. C. C. is also unusually well represented in both the mile and two mile events. Stevens of A. C. C., the record holding Fisher of Tech, and Bennett of W. T. are expected to stage a merry battle in the low hurdles. Tadlock of Tech is expected to repeat his performance of last year in winning the high hurdles in record time. Naylor of Clarendon who tied last year with Tadlock who tied last year (Continued on last page)

#### J. W. McCrerey To Be In Charge of the Auction.

One of the greatest arrays of bargains ever offered by Canyon merchants is to be featured here next Monday. Nearly every business house in the city will feature Dollar Day values, offering special prices which guarantee the success of the first Trades Day this year.

A big free auction is to be a feature of the day. J. W. McCrerey of Wayside has been retained by Canyon business men to auction off farm machinery, household goods, or anything else Trades Day visitors may wish to sell. Mr. McCrerey will make no charge for his services, and the entire auction will be staged through the courtesy of the business men of Canyon.

Those who have things to sell will make their own terms and see after their own collections, according to plans announced by business men.

Canyon merchants, discussing plans for Trades Day, told the News that they were determined to make Monday, April 29, outstanding in the merchandising history of the city. Reduction of from 10 to 50 per cent in regular prices are to be put into effect. The special Dollar Day assortments will be wide and varied, ranging from groceries, through dry goods, clothing, hardware, and automobile accessories.

Everything offered at reduced prices during Trades Day is to be a guaranteed value. The merchants stand ready to prove that the prices for Trades Day and Dollar Day constitute real money-saving values.

This issue of the Canyon News, containing advertising of hundreds of items which will be offered at special prices Monday, goes into almost all homes through the Canyon trade territory. People are urged to read every advertisement in it. Prices quoted in this issue represent welcome savings on staple merchandise. A special effort is being made by merchants at this time to reach people of Randall and adjacent counties, and all who come to Trades Day are assured of a profitable and money-saving visit.

Read this issue of the News through and through. The Dollar Day-Trades Day advertising means dollars saved to you.

#### Buffalo Band to Give Public Treat on Square Friday

Director C. E. Strain has announced that the Buffalo Band of the College will give the first program of the spring and summer season in the public band stand on the square Friday evening.

The program, as planned, included popular medleys, marches, and Al Hays' overture, "Spirit of the Age." The band is highly popular in Canyon and their program was expected to draw a large crowd.

The program as announcer by Mr. Strain is:

March, "Medley Superba," Dalby; Barn Dance, "Augusta," Barrington Sargent; Spanish Dance, "La Sirena," Burke; Characteristic Negro Sketch, "Bones Trombone," Fillmore; Medley, "Southern Melodies," Fillmore; Overture, "Spirit of the Age," Al Hays.

#### MARRIAGE LICENSES

J. Nichols and Miss Mary Hatfield, April 18.

Ray Hickenbottom and Miss Anna Lee Parker, both of Amarillo, April 20; Lonnie D. Lile and Miss Hattie Moss, both of Amarillo, April 20.

Diamonds and wedding rings, E. Burroughs, Jeweler.

#### HAS GOOD SALES RECORD

Golden Green, manager of the M System store here, received information from district headquarters of the company yesterday that the Canyon store ranked first among the 44 in this district last month in stock turnover. The ranking, of course, was made with allowance for the size of stock carried.

Mr. Green is one of the youngest managers in point of service with the company and already has made a splendid record for himself with the Canyon store.

Help Keep Canyon Clean!

#### WANT TO SELL IT?

Whatever it may be,—a bridle you no longer need, or a second-hand tractor you have replaced with a new one—Canyon merchants will give you a chance to sell it in Canyon Monday, April 29, during the big free auction in connection with Trades Day.

J. W. McCrerey of Wayside, widely known auctioneer, will wield the hammer free of charge to all people in the Canyon trade territory. Bring it in, list it with the clerk, sell it at your own terms and collect for it yourself.

The big free auction is an event worthy of a day all by itself and Canyon merchants offer it free along with the great array of bargains to be featured here Monday.

Little Mary Edwin McReynolds, four-year-old niece of Ray McReynolds is here from Floydada visiting Mr. and Mrs. Ray McReynolds.

Mr. and Mrs. M. B. Thomas of Childress spent the week end visiting in Canyon.

#### WAYSIDE HOST TO 300 CANYON PARK BOOSTERS

**PLAN TO BUILD ROADS IS OUTSTANDING RESULT.**

**Armstrong County Asked to Put Highway Between Wayside and Claude.**

More than 300 people, including an official delegation of 4 from Canyon, attended a meeting last Saturday at Wayside to consider proposals for making a national park of the Palo Duro Canyon.

W. A. Warren, president of the Canyon Chamber of Commerce; John S. Humphreys, prominent chamber of commerce worker and head of the department of Latin at the College; A. N. Burgan, member of the county commissioners court; and G. G. Foster, real estate man and land owner, were Canyon's official representatives at the Wayside meeting.

The Wayside meeting took a somewhat different tack than the first gathering of people interested in the project, which was held at Amarillo, according to members of the Canyon delegation. Roads into the canyon from towns nearest to it were chief topics of discussion Saturday. Col. Harve Haines, representing both the Amarillo Board of City Development and the Panhandle-Plains, Inc., was the main speaker on the program.

Wayside residents were royal hosts to the large gathering and luncheon was served to everyone present, although the entertainment committee had been led to expect no more than fifty persons.

For the present, Canyon representatives believe, the efforts to create a park in the canyon, will center in attempts to have the area placed in a national forest reserve district, later to be changed into a national monument or park.

Col. Haines said the main objective during the formative stage of the park plans should be the construction of a road from Wayside into the canyon and on into Claude. Other roads, he said, should be built into the canyon from Silverton, Tulla, and Clarendon.

W. D. McGehee of Wayside presided at the meeting and made an address of welcome.

After a short business session at which Armstrong county commissioners were requested to survey a route between Wayside and Claude, closed the formal phases of the meeting.

Practically all visitors took advantage of an invitation from Wayside people to inspect the canyon during the afternoon.

A truck load of cold bottled drinks was furnished the visitors by the Kiwanis Club of Tulla, and the town had a delegation of nearly fifty people at the meeting.

Mr. Burgan was made a member of a committee on roads which is to study possibilities of inlets and outlets for highways on the canyon. Commissioners from Briscoe, Donley, Armstrong, and Swisher counties made up the remainder of the committee.

#### CAR DELIVERIES

C. C. Morris, Ford truck; John R. Gillham, Ford standard coupe; W. M. Cratsinger, 2 Ford trucks; Guy Connor, Ford standard coupe; Lester Blakemore, Ford fordor; F. F. Ferrell, Ford fordor; C. J. Vars, Ford truck; George L. Hall, Ford truck; Walter Dammier, 2 Ford trucks; L. R. Miller, Ford business coupe; Henry Paulsen, Ford truck; I. M. Wester, used Ford roadster; Homer Ball, used Ford coupe; Claude Burnham, used Ford touring; D. E. Lippard, used Ford touring; R. L. Simmons, used Ford roadster; Tom English, used Ford coupe; Neil McMillan, used Ford touring.

P. C. Murray, Ford roadster; H. R. Brown, Chevrolet coupe; Bert Norville, Chevrolet coupe; Milton Anderson, Ford roadster; W. W. Rush, Ford coupe.

Mrs. Tracy Service had as her guests Friday her Mother, Mrs. C. G. Landis of Amarillo, her sister, Mrs. A. C. Townes and two daughters of Amarillo, and another sister, Mrs. W. H. Younger, Jr., and two daughters from Tulla.

Miss Allie Hanna of Happy spent Tuesday here with her sister, Mrs. Vincent Shuman.

#### CANYON HOST TO ROTARIANS FROM 6 TOWNS

**LOCAL CLUB SPONSORS FIRST INTER-CITY MEETING.**

**Organization's Efforts For Sectional and World Peace Are Praised.**

Members of the Canyon Rotary Club were hosts to more than thirty-five Rotarians from six Panhandle towns at a dinner given in Cousins Hall Tuesday evening. The affair was one of the first inter-city relations meeting confined strictly to Rotary to be held in this section.

President J. A. Hill and the Canyon club, instigators of the meeting, planned to encourage and develop friendly relations and co-operation between the towns which make up the great Panhandle-Plains area, Mr. Hill told the visitors.

Every member of the Canyon club with the exception of Representative Clyde W. Warwick, now in Austin for a special session of the Texas Legislature, were present, bringing the attendance total to approximately 75 people.

Towns represented were Plainview, Amarillo, Pampa, Lubbock, Dalhart, and Littlefield.

The Rev. L. Burney Shell, pastor of the Presbyterian Church of Plainview, praised the international aspect of Rotary as one of the greatest forces for peace and inter-country friendship ever to exist in the world.

Such meetings as the one held here, he said, enables Rotary clubs of this district to know each other better, and either to appreciate each other or gladly excuse whatever faults one town might find with another.

Man has two great duties, the Rev. Mr. Shell said, which he must perform if he accomplishes good. He must know himself, because he has to live with himself, and he must know his neighbor in order to live peacefully and work effectively with him.

Ernest Cabe, winner of first place in the Canyon district division of the National Oratorical Contest, which is being sponsored in Texas by the Fort Worth Star-Telegram, gave his oration at the opening of the program. The boy is a member of the graduating class of the College High School, and is to represent this district in the state contest. His appeal to the youth of America was heartily received by the Rotarians.

All members of visiting delegations were introduced from the floor at the request of Mr. Hill, who was toastmaster at the dinner. Mass singing of Rotary songs proved popular, and Wallace R. Clark, head of the department of Music at the College was drafted as song leader.

An especially interesting feature of the program was the showing of moving pictures taken at the District Convention of Rotary in Ranger. The film was brought here by Allan Early of the Amarillo club.

Bob Murray, president of the Lubbock club, expressed appreciation of the spirit behind the inter-city meeting, and thanked Canyon Rotary for its hospitality. He said Lubbock expected to sponsor a similar meeting there sometime before July 1.

Murray said that the international influence of Rotary, if its developments continues, within the

#### PEOPLE IN CANYON TRADE TERRITORY PROMISED ARRAY OF BIG VALUES BY STORES

#### Additional Places on School Faculty Filled by Trustees

Additional teachers for the 1929-1930 session of the Canyon Public Schools were elected at a special meeting of the Board of Education last Friday night, according to A. Cayton, secretary of the Board. Only two other teachers remain to be elected.

Those given positions by the board Friday were: Miss Ruth Russell, Weatherford, Tex., teacher of science in the high school division; Miss Flotilla Hill of Tulla, grade teacher; Virgil Thomas, Canyon, teacher of arithmetic in the grades; A. A. Shockley of Weatherford, Okla., coach of the athletic teams; Miss Erin Gamble, Petersburg, Tex., fourth grade teacher; Miss Gladys McClanahan, Texola, Okla., teacher of the third grade.

Prospects for the next term are excellent from almost every angle, members of the board said. While the heavy burden imposed upon the district by excess attendance still presents a financial difficulty, everything points to a most successful year, school men believed.

#### Great Plains Track and Field Meet Is to Start Tomorrow

No charge will be made for preliminary events of the Great Plains Track and Field Meet which opens here at 4 o'clock tomorrow afternoon in Buffalo Park, according to W. E. Lockhart, co-director of the meet with Mitchell Jones.

The finals, in which nine colleges will contest in the outstanding sports carnival of the plains, starts at 2 o'clock Saturday afternoon. A gate charge of 75c will be made for this section of the meet.

The seventh annual renewal of the Great Plains Track Meet will take place in the Buffalo Stadium on Friday and Saturday of this week. The meet promises to be faster this year than ever before. Tech, the defending champions, though having as good or better team than last year, will be hard pressed by the powerful A. C. C. and Simmons tracksters.

Both of these teams have decisive wins over T. C. U.; A. C. C. tied for first place with Oklahoma A. & M. in the Ft. Worth Pat Stock Show meet. N. M. M. I. with McCoomis is hoped to cop the dashes but the lad will have a great deal of competition in Hodges of A. C. C. and Keith of W. T.

Southwestern Oklahoma's Teachers have exceptionally strong distance men in Holt and Roberts, both being record holders in their conference; however A. C. C. is also unusually well represented in both the mile and two mile events. Stevens of A. C. C. the record holding Fisher of Tech, and Bennett of W. T. are expected to stage a merry battle in the low hurdles.

Tadlock of Tech is expected to repeat his performance of last year in winning the high hurdles in record time. Naylor of Clarendon who tied last year with Tadlock who tied last year with Tadlock

(Continued on last page)

#### J. W. McCrerey To Be In Charge of the Auction.

One of the greatest arrays of bargains ever offered by Canyon merchants is to be featured here next Monday. Nearly every business house in the city will feature Dollar Day values, offering special prices which guarantee the success of the first Trades Day this year.

A big free auction is to be a feature of the day. J. W. McCrerey of Wayside has been retained by Canyon business men to auction off farm machinery, household goods, or anything else Trades Day visitors may wish to sell. Mr. McCrerey will make no charge for his services, and the entire auction will be staged through the courtesy of the business men of Canyon.

Those who have things to sell will make their own terms and see after their own collections, according to plans announced by business men.

Canyon merchants, discussing plans for Trades Day, told the News that they were determined to make Monday, April 29, outstanding in the merchandising history of the city. Reduction of from 10 to 50 per cent in regular prices are to be put into effect. The special Dollar Day assortments will be wide and varied, ranging from groceries, through dry goods, clothing, hardware, and automobile accessories.

Everything offered at reduced prices during Trades Day is to be a guaranteed value. The merchants stand ready to prove that the prices for Trades Day and Dollar Day constitute real money-saving values.

This issue of the Canyon News, containing advertising of hundreds of items which will be offered at special prices Monday, goes into almost all homes through the Canyon trade territory. People are urged to read every advertisement in it. Prices quoted in this issue represent welcome savings on staple merchandise. A special effort is being made by merchants at this time to reach people of Randall and adjacent counties, and all who come to Trades Day are assured of a profitable and money-saving visit.

Read this issue of the News through and through. The Dollar Day-Trades Day advertising means dollars saved to you.

#### Buffalo Band to Give Public Treat on Square Friday

Director C. E. Strain has announced that the Buffalo Band of the College will give the first program of the spring and summer season in the public band stand on the square Friday evening.

The program, as planned, included popular medleys, marches, and Al Hays' overture, "Spirit of the Age." The band is highly popular in Canyon and their program was expected to draw a large crowd.

The program as announced by Mr. Strain is: March, "Medley Superba," Dalby; Barn Dance, "Augusta," Barrington Sargent; Spanish Dance, "La Sirena," Burke; Characteristic Negro Sketch, "Bones Trombone," Fillmore; Medley, "Southern Melodies," Fillmore; Overture, "Spirit of the Age," Al Hays.

#### MARRIAGE LICENSES

J. Nichols and Miss Mary Hatfield, April 18.

Ray Hickenbottom and Miss Anna Lee Parker, both of Amarillo, April 20; Lonnie D. Lile and Miss Hattie Moss, both of Amarillo, April 20.

Diamonds and wedding rings, E. Burroughs, Jeweler.

#### HAS GOOD SALES RECORD

Golden Green, manager of the M System store here, received information from district headquarters that the Canyon store ranked first among the 44 in this district last month in stock turnover. The ranking, of course, was made with allowance for the size of stock carried.

Mr. Green is one of the youngest managers in point of service with the company and already has made a splendid record for himself with the Canyon store.

Help Keep Canyon Clean!

#### WANT TO SELL IT?

Whatever it may be,—a bride you no longer need, or a second-hand tractor you have replaced with a new one—Canyon merchants will give you a chance to sell it in Canyon Monday, April 29, during the big free auction in connection with Trades Day.

J. W. McCrerey of Wayside, widely known auctioneer, will wield the hammer free of charge to all people in the Canyon trade territory. Bring it in, list it with the clerk, sell it at your own terms and collect for it yourself.

The big free auction is an event worthy of a day all by itself and Canyon merchants offer it free along with the great array of bargains to be featured here Monday.

SUBSCRIPTION \$1.50 PER YEAR

Entered at the postoffice at Canyon, Texas, as second class matter. Published weekly at office, 1513 Fourth Avenue, Canyon, Texas.

**THE LEGISLATURE OPENS**

The publisher of the News, who is representative from the 123rd district writes from Austin as follows regarding the possibilities of the special session of the legislature:

We failed to write during the regular session of the legislature anything from Austin. This was not pure oversight on our part, as we had a vain idea, although perhaps greatly exaggerated, that a weekly letter would be of interest to the readers of the News, but being a new member of the House, we wanted to find out what it was all about before sending out any letters as to what was going on.

Another thing must be taken into consideration. The thing we were doing will be of little to no use. We must discuss a bill in length today, and the suit bill

be killed before this letter reached Canyon and the News, and then our efforts would all be in vain. The average citizen thinks that legislation in which he is vitally interested moved very slowly, and sometimes it does. But when you are 600 miles away from Canyon and attempt to discuss pending legislation, the whole story may have changed several times from the hour the story is written until it is printed Thursday in the News.

We noted a few days ago that two letters were written by present members of the House in which charges were made as to the slow moving progress made in the regular session of the legislature. The first letter written by an old member blamed the new members, 78 in number, with the responsibility of holding up legislation, probably through ignorance of the due and ancient processes through which bills must go in order to become the law of the land. A new member took up the challenge and charged old members with wasting much valuable time through useless oratory and points of order which were not germane to the bill in question. So that as it may be, neither who may be responsible for the slow progress made by the regular session, all admit that a lot of valuable time was consumed by useless oratory in the regular session, and there promises to be a lot more time wasted in the extra session through the same process. Perhaps the new members

will join more freely in the discussion this session than they did in the regular session.

The Governor has submitted in the first call only three subjects: 1. Centralization of the penitentiary system; 2. Providing for the new board of education; 3. Providing for a civil service system.

The regular session considered the first and last of these measures, and turned down the Governor on his plans. There are two ideas on the penitentiary system. Governor Moody says that the legislature should authorize a commission to relocate the penitentiary, while the legislature says that this body should do the locating. The Governor has pointed out the members of the locating commission, and it is a well known fact that a majority of them are opposed to locating the system on any of the land now owned by the state. This means that the 38,700 acres of land now owned by the state would be placed on the market at uncertain prices, and new land bought at uncertain prices. Much stress was made by the present prison board as to unhealthy conditions on the present land near Houston. The people of Houston do not wish the system to be located near that city, but are not making charges that their territory is unhealthy.

Those opposing the Governor and the board of prison commissioners as to the changing the location believe that present fertile lands near Houston should be used to centralize the prison plant, that the state should enter intensively into farming and truck growing which would make the system self sustaining and furnish food for other of the institutions of the state. This faction believes that there is no better farming land in Texas than the land now owned by the system, and that it is folly to go farther in seeking a location. Some of the men standing behind this plan have made a study of several years of the system, and are more intimately acquainted with the workings of the institution than is the Governor.

In the regular session the Senate finally passed a bill according to the Governor's notion, but the House passed a bill according to the second idea above outlined. It yet remains to be seen what the special session will accomplish.

The school bill was not taken up in the regular session. This bill was among the 450 which died on account of the lack of time.

The Governor insists that the legislature shall pass a civil service bill. Those employed in the state offices at Austin, and many of the heads of departments are opposed to this bill, which was killed in the regular session. The Governor has stated that he will present this matter to every session of the legislature while he remains in office.

Other subjects will be presented to the legislature from time to time. It is noted that the Governor does not submit the appropriations bills to support the state government for the coming two

years. These may be submitted any day, and then again the Governor may withhold this item until the legislature has disposed of some of the subjects he is interested in.

According to those who have looked in upon the legislature for the past number of years, this promises to be a very turbulent extra session. The Governor usually is in control of special sessions, having submitted only such subjects as he believes will pass readily under his direction. Governor Moody has submitted subjects which will cause strife from the very outset of the special session.

Then again, there promises to be all kinds of trouble when the appropriation bill is submitted. It is a well known fact that the Senate will be very liberal in recommending appropriations, while the House committee has cut to the quick all appropriations, and the House membership may back up the committee. Newspaper correspondents are prophesying that the House and Senate will lock horns over the appropriations to a greater extent this year than ever in the past, and that institutions may expect little in the way of buildings and further equipment. Those close to the situation believe that there will be another extra session immediately following the present 30-day session, and that it will take a major part of the next thirty days to agree upon the appropriations. The House committee set 30 cents as the tax limit. The Senate is liberal and wishes to see the institutions provided for as well as possible by the state even

though it takes the constitutional limit of 35 cent tax rate. They are backed by the big business interests of the state who are not demanding tax reduction at the expense of the state institutions. A merry war is predicted.

The Board of Control is taking a hand in the matter of appropriations. It believes that it has cut the estimates to the core, and that the legislature should pass the bill as recommended by this body. If the law makers would accept the estimates of the Board of Control, the question would be settled in a short while. However, few of the institutions are satisfied with the estimates of the Board of Control. The Senate committee will recommend more money than did the board, while the House committee has loped off a great many items which are recommended by the board.

Our College at Canyon made a good impression on the visitors from the House and Senate who made the inspection last week. Great praise has been expressed for the work being accomplished in this institution, but we are only one of a large number, and it will be a battle to get the appropriation which is necessary to enable the institution to grow and develop as it should during the coming year. The people of the Plains may be assured that in the Senate, Clint Small is going to do everything he can for the College, while in the House every Representative from the Plains is firmly behind the institution, and will get through as liberal a program as possible.

# Reliability

**BRIEF FACTS**

A giant cactus 55 feet tall and supposed to be 250 years old has been discovered near Phoenix, Ariz. It is said that the Pope plans to visit several European countries in

1930 and the United States in 1931. With new devices recently tested at Key West, men escaped from a submarine submerged to a depth of 200 feet. A man rejected for Army serv-

ice because of physical defects in 1861 died recently at the age of 104.

George Akerson of Minnesota, long associated with President Hoover, has been appointed private secretary to the President.

According to a recent survey, more than 85 per cent of the farms in the United States have automobiles.

William S. Simpkins, said to have fired the first shot of the Civil War at Fort Sumter, died at Austin, recently at the age of 88.

Head phones for patrons who are hard of hearing have been installed in a Paris theatre, a small additional fee being charged for seats so equipped.

David B. Buick, founder of the automobile company which bears his name, died recently a poor man, having earned his living for several years as instructor in a Detroit trade school.

Special devices which warm aviators when ice begins to form on the wings of a plane have been installed on several mail planes operating over the Rocky Mountain region.

**HOW FARMERS DIFFER FROM OTHER FOLKS**

The farmer is a mortal who seeks to extract from life his due. In other words, dear people, he is just the same as you and me. His "due" is anything at all; it may be large, it may be small—in fact, it's what he thinks it is: Usually health and luck in biz. In other words, dear people, he is just the same as you and me. The farmer likes a hearty meal; Myself, that way I often feel.

The farmer likes to travel 'round with wheels between him and the ground.

I also like a motor car; In fact, most people that way are. The farmer is ordained by fate, If I may recapitulate, To be in favor of more wealth; He also likes food, comfort, health. In other words, dear people, he is just the same as you and me. —E. A.

**PEACEFUL INTENT**

"What would you do," reads a lurid book announcement, "if one of these savage islanders, pursuing you, let fly his war hatchet?" If we ducked it we'd grin and bury it.

**EDUCATING THE FEET**

Clever physical culture people now think up amusing exercises, like picking up marbles with the toes, to strengthen and encourage the feet to do what is right.

**DIFFERENT VIEWPOINTS**

Men fear old age and plan for it. Women fear old age and deny it. A man thinks of the rainy days ahead. Women look forward to more sunshine.

**A CASE FOR THE DEFENSE**

The car was crowded and the conductor was irritable. "Where's the fare for the boy?" he snapped, as Mr. Cohen handed him one fare. "Ach, de boy is only three years old," said Cohen placidly. "Three years," sneered the conductor. "Three years! Why look at him. That kid's seven years old if he's a day."

Mr. Cohen leaned over and gazed earnestly at the boy's face. Then he turned to the conductor. "Well, can I help it if he worries?"

"Darling," he cried covering her little hands with kisses. "Can't you see that I love you?" "Well," she said, "I should hate to think this was just your way of behaving in company."

"He was a man who had indeed suffered much," says a country pa-

per, in a short obituary notice; "he had been a subscriber to this paper since its first number."

**Codfish Combined with Tomatoes**  
Soak 1 pound of fish, drain and flake, removing all bones. Fry two medium-sized onions, diced, in butter and add 3 cups of tomato pulp with seasoning to taste. Thicken slightly, and add fish. Serve on fresh buttered toast or with baked potato.

**Bird's Nest Salad**

Peel, chill and cut tomatoes in halves, scoop out seeds and fill cavities with small balls of cream cheese mixed with cream, chopped nuts and chopped chives. Dress with mayonnaise. Serve on crisped lettuce.

**When Serving Eggs to Children**  
Eggs on toast are difficult for little folks to manage—unless you cut the toast in small cubes, leaving the slice in its original shape before putting on the eggs. Then they are very easily eaten!

**Egg Balls Good Meat Substitute**  
Make yolks of 4 hardboiled eggs; chop whites; mix both with ¼ cup bread crumbs and 2 tbs. grated cheese. Season and add enough cream sauce to make of consistency to form into balls. Dip in raw beaten egg, roll in crumbs, repeat and put in cold place for 1 hour. Fry in deep hot fat.

## PAINS

In Side and Back

"I HAD BEEN miserable for a long time. My health was poor, and I suffered a lot from weakness. At times, my strength was so little that I could not stand on my feet. I would have to give up and go to bed. My sides and back hurt dreadfully."

"I grew discouraged, for I could do so little. I worried about myself, and almost gave up hope of ever being strong and well. I could scarcely lift a bucket of water. My housework went undone, for I was not strong enough to do it."

"After I had taken Cardui for a little while, I began to feel better. I grew stronger, soon found that I could do my work with less effort, and the pains in my back and sides left me. I think Cardui is a wonderful medicine. My health has been excellent since then."—Mrs. D. L. Beckner, W. Main St., Salem, Va.

## WOMEN'S CLUBS CONVENE AT SNYDER SOON

GIBSON, WRIGHT, REEVES AND  
SHEFFY LEAVE THURSDAY  
FROM HERE.

West Texas State Teachers College student body and faculty will be represented at the eighth annual convention of the Texas Federated Women's Clubs of the seventh district which will begin a three day meet in Snyder Thursday.

Alma Gibson and Gladys Wright of the home economics department were elected to represent the home economics club at the meeting. Mrs. T. V. Reeves and Mr. L. F. Sheffy of the college faculty will also attend. Mr. Sheffy will speak to the convention delegates on "Disarmament or War."

"Thinking, Planning, Building" is to be the general theme of the convention. Other speakers will be Mrs. Phebe K. Warner and Mrs. W. R. Potter, president of the state federation. One of the most attractive features of the meeting will be the presentation of Miss Dorothy Greathouse, a lyric coloratura soprano who became well known as a result of her work in "The Student Prince."

Mrs. F. T. Collins of Amarillo is district president.

## Many Exes Are On Campus For Meet

Many exes of W. T. were in Canyon Friday and Saturday during the district interscholastic league meet.

Lillie Mae Fogarty, who is teaching at Oklahoma Lane, Texas, was here with her tennis teams that were entered in the contests. J. B. Speer of Follette, Roy Carver from Wildorado, John Olin Baker

of Bovina, C. R. E. Weaver of Silverton were among the superintendents who brought contestants to the meet. Besides these Ruth Bolton, who is teaching near Plainview, Elva Lacey, who is teaching in Briscoe County, Nellie Jo Baum from Silverton, Mary Boston from near Friona, Ben Pearson from Tulla, Mr. and Mrs. Billie Melton, Clinton DeArmand from White Deer, Billie McClure from Friona, Louise Walker from Channing, were among the teachers who accompanied their students to Canyon. Others were Bessie Blair, Zona Cox, Mrs. John Olin Baker, who will be remembered as Miss Goldia Brumley, Ethel Womble from Dummitt, Ruby Lyon, and Elmer Cleavinger who has recently taken a position as mathematics teacher for the remainder of the year in Silverton. An out-of-state ex who was here during the meet was Plumber Bailey from Portales, New Mexico.

## Carmack's Play Is Winner In Contest at Regional Meet

More honors have come to Dolphina Carmack's one act-play which produced "Mansions" in the district contest here several weeks ago. This was also the winning play in the regional meet held recently at Abilene.

Reports state that Miss Carmack's play easily won the first place. They go to Austin for the state contest the first week in May. Miss Carmack is a graduate of the College here. She received her training from Mary Morgan Brown. While in Abilene she was interviewed by several reporters who were interested in finding out where and with whom she had studied.

## Music Memory Con- test Held Here Is Largest Ever Here

Thirty-six children entered the Music Memory contests held as a part of the first district Interscholastic League meet here last week end. According to Miss Ada V. Clark, who was in charge of the contest, this was the largest attendance that there has ever been. 24 entrants were from city schools and 12 represented rural schools.

Dalhart, Dalham County, won first place with an average of 92.8. The winning team was composed of Henry Kendall, Lenore Merchant and Helen Lee Bailey.

Second place was won by Pampa; the Pampa team had 8 members and La Vern Vickers was the only contestant who made 100%.

Third place was won by Claude, 4th by Panhandle, 5th Tulla, and 6th Friona.

In the rural school contest first place went to Conway, Carson County, second place to Skia, Hutchinson County.

According to Miss Clark a perfect paper was not to be expected this year as the contest was unusually hard. Miss Clark also stated, "The work this year was far better than it has ever been before. The children were more genuinely interested in music and the visitors who came with them showed intelligent enthusiasm."

Mrs. J. E. Whicker and little daughter Jane, of Littlefield, arrived in Canyon Wednesday afternoon to visit Mrs. Agnes Smith.

People who think they are too old to learn anything more have about outlived their usefulness.

## Panhandle Editors Pledge Support To W. T. S. T. College

That newspaper editors of the Panhandle are backing West Texas State Teachers College was evidenced by the fact that the association adopted resolutions asking the legislature for liberal support of W. T. and Texas Tech at Lubbock at the annual convention held at Pampa April 19-20.

Olin E. Hinkle, well known graduate of W. T. and present editor of the Pampa Daily News, was elected vice-president of the Panhandle Press Association. He was also a member of the resolutions committee at this meeting. During the convention he made an address on "Treatment of Crime News."

Deskin Wells, former student and present editor of the Wellington Leader, finished a successful term as president of the organization at the time of the convention.

## COUNTY BOARD TO RAISE STANDARDS

At a meeting of the county school board, of which Mr. Phil-

lips of the college is chairman, Saturday night it was decided to raise the standards of the county teachers. Either one year's college work and one year's experience, or two years college work and two years experience will be required hereafter.

## MAKES 'EM SEE RED

"Speeding motorist arrested," says a Jersey Journal item, "after showing a policeman his dust for 20 miles." The point of the story seems to be: when the eyes of the law are on you don't throw dust in 'em.

## LOUDER, PLEASE

Some people wonder what the Mormon wedding is like. It's something like this:

Preacher (to groom): "Do you take these women to be your lawfully wedded wives?"

Groom: "I do."

Preacher (to brides): "Do you take this man to be your lawfully wedded husband?"

Brides: "We do."

Preacher: "Some of you girls at the back will have to speak louder if you want to be included in this."

—Contributed.

True friendship is the kind that wears no matter how rough the

## SONGS OF SATAN

The philosophy of the Salvation Army is never to hesitate to adopt the airs of ribald songs for its choruses, on the theory that the devil shouldn't have all the good tunes.

## EAGLE'S LONG LEASES

There is an eagle's nest in Ohio which has been occupied continuously for more than thirty-four

years and one in South Carolina which has been in use for more than half a century. It is seven feet high and eight feet wide.

## LEARNING FROM WEAKNESS

In many families the weakest has without knowing it taught the others to be strong and the most foolish has been the very text book from which others learned their best wisdom.

## THE NEW 15-30 McCORMICK-DEERING INCREASED POWER

This tractor has been changed to provide more power by increasing the cylinder bore, strengthening parts involved along the power line and embodying improvements outlined in detailed specifications following:

Engine: Cylinders: (with removable sleeves.)

Bore: 4 3-4 in. (increased from 4 1-2.)

Ignition: High tension Magneto.

Governor: Throttling type (all control parts enclosed.)

Cylinder Head: New, to provide for increased size of parts and the addition of water impeller or pump to facilitate cooling.

Cooling: Water circulating pump capacity 12 1-2 gallons.

Carburation: Improved Carburetor using gasoline or kerosene and water as fuel.

Speed: Miles per hour (approx.) Low 2 1-2; Medium 3 1-4; High 3 3-4.

Let us show and demonstrate to you this new tractor.

Be with us Monday, April 29th, for Trades Day and Free Auction Sale of Farmers' Products. Bring what you have to sell.

Thompson Hardware Co.

Many exes of W. T. were in Canyon Friday and Saturday during the district interscholastic league meet.

Lillie Mae Fogarty, who is teaching at Oklahoma Lane, Texas, was here with her tennis teams that were entered in the contests. J. B. Speer of Pollette, Roy Carver from Wildorado, John Olin Baker

of Bovina, C. R. E. Weaver of Silverton were among the superintendents who brought contestants to the meet. Besides these Ruth Bolton, who is teaching near Plainview, Elva Lacey, who is teaching in Briscoe County, Nellie Jo Baucum from Silverton, Mary Boston from near Friona, Ben Pearson from Tulla, Mr. and Mrs. Billie Melton, Clinton DeArmand from White Deer, Billie McClure from Friona, Louise Walker from Channing, were among the teachers who accompanied their students to Canyon. Others were Bessie Blair, Zona Cox, Mrs. John Olin Baker, who will be remembered as Miss Goldia Brumley, Ethel Womble from Dummitt, Ruby Lyon, and Elmer Cleavinger who has recently taken a position as mathematics teacher for the remainder of the year in Silverton. An out-of-state ex who was here during the meet was Plumber Bailey from Portales, New Mexico.

## Carmack's Play Is Winner In Contest at Regional Meet

More honors have come to Delphia Carmack's one act-play which produced "Mansions" in the district contest here several weeks ago. This was also the winning play in the regional meet held recently at Abilene.

Reports state that Miss Carmack's play easily won the first place. They go to Austin for the state contest the first week in May. Miss Carmack is a graduate of the College here. She received her training from Mary Morgan Brown. While in Abilene she was interviewed by several reporters who were interested in finding out where and with whom she had studied.

## Music Memory Contest Held Here Is Largest Ever Here

Thirty-six children entered the Music Memory contests held as a part of the first district Interscholastic League meet here last week end. According to Miss Ada V. Clark, who was in charge of the contest, this was the largest attendance that there has ever been. 24 entrants were from city schools and 12 represented rural schools.

Dalhart, Dalham County, won first place with an average of 92.8. The winning team was composed of Henry Kendall, Lenore Merchant and Helen Lee Bailey.

Second place was won by Pampa; the Pampa team had 8 members and La Vern Vickers was the only contestant who made 100%.

Third place was won by Claude, 4th by Panhandle, 5th Tulla, and 6th Friona.

In the rural school contest first place went to Conway, Carson County, second place to Skia, Hutchinson County.

According to Miss Clark a perfect paper was not to be expected this year as the contest was unusually hard. Miss Clark also stated, "The work this year was far better than it has ever been before. The children were more genuinely interested in music and the visitors who came with them showed intelligent enthusiasm."

Mrs. J. E. Whicker and little daughter Jane, of Littlefield, arrived in Canyon Wednesday afternoon to visit Mrs. Agnes Smith.

People who think they are too old to learn anything more have about outlived their usefulness.

## Panhandle Editors Pledge Support To W. T. S. T. College

That newspaper editors of the Panhandle are backing West Texas State Teachers College was evidenced by the fact that the association adopted resolutions asking the legislature for liberal support of W. T. and Texas Tech at Lubbock at the annual convention held at Pampa April 19-20.

Olin E. Hinkle, well known graduate of W. T. and present editor of the Pampa Daily News, was elected vice-president of the Panhandle Press Association. He was also a member of the resolutions committee at this meeting. During the convention he made an address on "Treatment of Crime News."

Deskin Wells, former student and present editor of the Wellington Leader, finished a successful term as president of the organization at the time of the convention.

## COUNTY BOARD TO RAISE STANDARDS

At a meeting of the county school board, of which Mr. Phil-

lips of the college is chairman, Saturday night it was decided to raise the standards of the county teachers. Either one year's college work and one years experience, or two years college work and two years experience will be required hereafter.

## MAKES 'EM SEE RED

"Speeding motorist arrested," says a Jersey Journal item, "after showing a policeman his dust for 20 miles." The point of the story seems to be: when the eyes of the law are on you don't throw dust in 'em.

## LOUDER, PLEASE

Some people wonder what the Mormon wedding is like. It's something like this:

Preacher (to groom): "Do you take these women to be your lawfully wedded wives?"

Groom: "I do."

Preacher (to brides): "Do you take this man to be your lawfully wedded husband?"

Brides: "We do."

Preacher: "Some of you girls at the back will have to speak louder if you want to be included in this."

—Contributed.

True friendship is the kind that wears no matter how rough the

## SONGS OF SATAN

The philosophy of the Salvation Army is never to hesitate to adopt the airs of ribald songs for its choruses, on the theory that the devil shouldn't have all the good tunes.

## EAGLE'S LONG LEASES

There is an eagle's nest in Ohio which has been occupied continuously for more than thirty-four

years and one in South Carolina which has been in use for more than half a century. It is seven feet high and eight feet wide.

## LEARNING FROM WEAKNESS

In many families the weakest has without knowing it taught the others to be strong and the most foolish has been the very text book from which others learned their best wisdom.

## THE NEW 15-30 McCORMICK-DEERING INCREASED POWER

This tractor has been changed to provide more power by increasing the cylinder bore, strengthening parts involved along the power line and embodying improvements outlined in detailed specifications following:

Engine: Cylinders: (with removable sleeves.)

Bore: 4 3-4 in. (increased from 4 1-2.)

Ignition: High tension Magneto.

Governor: Throttling type (all control parts enclosed.)

Cylinder Head: New, to provide for increased size of parts and the addition of water impeller or pump to facilitate cooling.

Cooling: Water circulating pump capacity 12 1-2 gallons.

Carburation: Improved Carburetor using gasoline or kerosene and water as fuel.

Speed: Miles per hour (approx.) Low 2 1-2; Medium 3 1-4; High 3 3-4.

Let us show and demonstrate to you this new tractor.

Be with us Monday, April 29th, for Trades Day and Free Auction Sale of Farmers' Products. Bring what you have to sell.

Thompson Hardware Co.

**OUR RESPONSIBILITY**

Some one has said, "Ability plus opportunity equals obligation." And in this respect, obligation and responsibility are synonymous terms. Every man has responsibility in life according to the opportunities he has for service to his fellow-man. A man therefore, to fill his place in the world must have a care for what he is doing.

Benjamin Franklin, who styled himself "Poor Richard," said: "Want of care does more harm than want of knowledge."

Many men who have the ability and the knowledge to perform great things in the world, never get very far because they are not willing to assume the responsibility to put the thing over.

Carelessness is responsible for more accidents than all other things combined.

The terrible death toll from automobile accidents, of which we read in the papers every day could be reduced ninety per cent if drivers—and occupants—would have a care as to what they are doing. But people will go out for a "joy ride" and to show his skill as a manipulator, the driver thinks it is necessary to "step on her," and too often the other members of the party encourage him and the result in too many cases is well known.

What is true of the auto driver is true in every other walk of life. The man who does not care and is constantly shifting the responsibility is sure to fall short of his goal and he can never reach the zenith of his powers until he takes actual responsibilities that are necessary to take his place in the world and be of the service to humanity that is expected of him.—Exchange.

**NOT GUILTY**

A man was charged with kissing a girl against her will, and during the proceedings the girl went into the box. "You say," said counsel for the defense, "that my client took you by surprise, and that you gave him no encouragement?" "I do," replied the girl. "Doesn't it strike you as strange that he should have managed to kiss you as you were unwilling?" added counsel. "Look at my client, and then consider your own height. Why, you are nearly a foot taller than he is." "Well what of it?" retorted the girl. "I can stoop, can't I?"

Doctor: "I'm. Severe headaches, bilious attacks, pains in the neck—h'm! What is your age, madam?" Patient (coolly): "Twenty-four, doctor."

"H'm!" (continuing to write.) "memory affected, too!"—Pearson's.

She: "Now own up; you men like the talkative women as well as you do the others."

He: "What others?"—Answers.

**SHERIFF'S SALE**

THE STATE OF TEXAS.

County of Randall.

By virtue of a certain Alias Execution issued out of the Honorable 47th District Court of Randall County, on the 10th day of April, 1929, by Berl E. Mayfield, Clerk of said Court against Kathaleen F. Hall, for the sum of Two Hundred and Thirty-Two and 47/100 (\$232.47) Dollars and cost of suit in cause No. 1154 in said Court, styled Catherine F. Phillips versus Kathaleen F. Hall, and placed in my hands for service, I, John Fry, as Sheriff of Randall County, Texas, did, on the 10th day of April, 1929, levy on certain Real Estate, situated in Randall County, described as follows, to-wit:

All those certain lots, tracts and parcels of land situate lying and being in the County of Randall, State of Texas, and a part of Gables No. One Addition to the City of Amarillo, Randall County, Texas, and being Lots:

Lot 4, Block 4; Lot 18, Block 6; Lots 1, 3, 8, 16, 17, 19, 22, Block 7; Lot 11, Block 8; Lot 13, Block 9; Lot 4, Block 10; Lot 5, Block 12; Lot 5, 6, 9, 11, Block 14; all in said Gables No. One Addition.

And levied upon as the property of said Kathaleen F. Hall. And on Tuesday, the seventh day of May, 1929, at the Court House door of Randall County, in the City of Canyon, Texas, between the hours ten A. M. and four P. M. I will sell said real estate at public vendue, for cash, to the highest bidder, as the property of said Kathaleen F. Hall by virtue of said levy and said execution.

And in compliance with law, I give this notice by publication, in the English Language, once a week for three consecutive weeks immediately preceding said day of sale, in the Canyon News, a newspaper published in Randall County, Texas.

Witness my hand, this 10th day of April, 1929.

H. J. R. NO. 7

A JOINT RESOLUTION

proposing an amendment to Section 5 of Article 4 of the Constitution of the State of Texas fixing the salary of the Governor, provided for its submission to the voters of the State of Texas as required by the Constitution, and making appropriation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 5 of Article 4 of the Constitution of the State of Texas be so amended as to hereafter read as follows:

"Section 5. The Governor shall, at stated times, receive as compensation for his services an annual salary of Ten Thousand Dollars and no more, and shall have the use and occupation of the Governor's Mansion, fixtures and furniture; provided that this amendment shall not become effective until the third Tuesday in January, 1931."

Sec. 2. The foregoing Constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State on July 16, 1929, at which election all voters favoring said proposed amendment shall write or have printed on their ballots the words: "Against the amendment to the Constitution of the State of Texas fixing the salary of the Governor."

Section 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said election and to have

same published as required by the Constitution for amendments thereto.

Sec. 4. The sum of Five Thousand (\$5,000.00) Dollars or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the State of Texas not otherwise appropriated to pay the expense of such publication and election.

Approved March 19, 1929.

# BAPTISTS STUDENTS TO LEAD SUNDAY SERVICE

Members of the Baptist Student Union will furnish a program of devotionals and speeches at the evening service Sunday. The student program will take the place of the usual sermon by the Rev. C. G. Howard, who is absent at this time.

The program was planned by the students was: Song service, led by Noel Gollison; Scripture reading by Herbert Campbell; Xylophone solo, Edgar Pickett; "The Material Progress of the Church," a short talk by Gordon Beck; "The Spiritual Progress of the Church," a talk by Winnie Mae Freeman; "Chalk Talk," by Lee Funk, prominent art student; and "Are Students Interested in Churches," by Newton Crain.

The evening service will begin at 8 o'clock.

## BUSINESS WOMEN'S CLUB

Miss Mary Jamison and Miss Zelma Robinson made lovely hostesses last Tuesday evening when they entertained members of the

Business Women's Club at a bridge party. Games were played at three tables for several interesting rounds, and then a delicious salad course was served.

## CARD OF THANKS

We wish to express our sincere thanks to our friends and neighbors for their deeds of kindness and words of sympathy during our recent bereavement. Also for the beautiful floral offerings.

Mr. and Mrs. John Millerman.  
Harold Dean Millerman  
Mrs. Gertrude Wade  
Mr. and Mrs. C. M. Dowlen  
Mr. and Mrs. S. L. Robinson.

## MRS. W. C. KUNZE ENTERTAINS

Mrs. W. C. Kunze was hostess Saturday evening to a number of girls at a party honoring Miss Amy Cowan of Ohio, who has been her guest the past two weeks. Diversion was furnished by forty-two and other games, after which a salad course was served. The guests were Miss Amy Cowan, honoree, and Misses Agnes Meyers, Pearl Black, Dorothy Burrow, Bee

Holland, Frances Croson, Addaline Strain, and Lillian Atkins.

## MRS. B. T. JOHNSON CELEBRATES BIRTHDAY

Mrs. B. T. Johnson was honored with a surprise party on her birthday last Monday afternoon by a few of her old-time friends and neighbors. The group gathered early in the afternoon at her home and showered her with useful gifts for the household.

## MISS COWAN IS HONORED

Mrs. S. L. Ingham and Mrs. O. N. Gamble were joint hostesses Wednesday afternoon at a party given in honor of Miss Amy Cowan of Lebanon, Ohio. Games of forty-two were played by the guests at four tables. Miss Cowan has been a guest in the home of Rev. and Mrs. Kunze the past two weeks, but left this morning for San Antonio, New Orleans, and other points south where she will visit before returning to Ohio. She is a Welfare Worker of the American Company at Middleton, Ohio.

Help Keep Canyon Clean!

## LOCAL NEWS

E. L. Roberts, Boy Scout executive in charge of the central plains area, visited in Canyon Wednesday.

Mr. and Mrs. T. A. Kay visited in Amarillo Sunday with Mr. and Mrs. A. A. Thurman.

Mrs. Tracy Service, Mrs. Claude Moore, and Mrs. Owen Williams visited in Amarillo Monday.

Ira Self and family visited with Mr. and Mrs. Joe Self last Wednesday night and Thursday.

Miss Agnes Elliston spent the week end with friends in Silverton.

Mr. and Mrs. R. W. Ratcliff and Miss Lillian Atkins visited in Amarillo Sunday with T. B. Atkins and family.

Mrs. W. E. Miller, who is teaching at Spring Lake, spent the week end in Canyon with her husband and parents, Mr. and Mrs. M. E. Cleavinger.

Senator J. W. Reid left Thursday for Austin to spend a short while with his family.

T. C. Thompson was a business caller Saturday in Lubbock and Littlefield.

F. V. Friemel was a business caller Friday at the News office. He states that he does not wish to see any more rain until the middle of May. The wheat is doing fine, but there are many suckers, which will cut the yield of the wheat if there were much rain now, and little rain during the month of June.

Mrs. Homer Anderson of Dalhart spent the week end with Mrs. J. M. Anderson here.

Miss Ruby Crum of Amarillo spent Tuesday here with her mother, Mrs. J. L. Crum.

Miss Ruby Crum spent the week end at Hereford with Mr. and Mrs. Ross Green and Mr. and Mrs. Roy Deviney.

## TRAINING SCHOOL P. T. A. MEETING POSTPONED

Because of the District Inter-scholastic League this week the regular meeting of the Training School P. T. A. has been postponed until Saturday afternoon, April 27. Miss Novella Goodman, chairman of the program committee, announces that a very interesting program will be given at this time. Parents of Training School children are urged to attend.

road.

It may take money to make money, but it also takes money to lose money.

Rubber heels have more than one advantage. They don't scratch desk tops.

If you have a secret that is worth keeping it is worth telling to your friends.

There are tricks in every trade.

but it isn't tricks that win out in the long run.

Folks who are regarded as lucky know that it was nothing more than hard work.

A man who gets up wrong in the morning shouldn't make others suffer for it.

There is a reason for everything except people who try to be funny

and aren't.

Don't quarrel with the man who hates himself. He is entitled to his own belief.

Friendship ought to be valued for what there is in it and not what we get out of it.

Did you ever think that if you judged others by yourself it would not be fair to them.

Yes, we know of one man who has never spoken harshly to his wife. He never had one.

Some folks fatten on criticism, which may account of them doing such queer things.

People who stir up scandal should always be sure that all of the skeletons have been removed from their closets.

# TO PROSPECTIVE HOME OWNERS:

We invite you to investigate the accommodations offered you through this yard. We carry not only the lumber and materials needed for anything from a chicken coop to a palace, but with it we offer free trained advice in planning, building and financing. If interested in the acquisition of a HOME, we would appreciate an opportunity to serve you.

### BAPTISTS STUDENTS TO LEAD SUNDAY SERVICE

Members of the Baptist Student Union will furnish a program of devotionals and speeches at the evening service Sunday. The student program will take the place of the usual sermon by the Rev. C. G. Howard, who is absent at this time.

The program as planned by the students was: Song service, led by Noel Gollison; Scripture reading by Herbert Carapell; Xylophone solo, Edgar Pickett; "The Material Progress of the Church," a short talk by Gordon Beck; "The Spiritual Progress of the Church," a talk by Winnie Mae Freeman; "Chalk Talk," by Lee Funk, prominent art student; and "Are Students Interested in Churches," by Newton Crain.

The evening service will begin at 8 o'clock.

**BUSINESS WOMEN'S CLUB**  
Miss Mary Jamison and Miss Zelma Robinson made lovely hostesses last Tuesday evening when they entertained members of the

Business Women's Club at a bridge party. Games were played at three tables for several interesting rounds, and then a delicious salad course was served.

### CARD OF THANKS

We wish to express our sincere thanks to our friends and neighbors for their deeds of kindness and words of sympathy during our recent bereavement. Also for the beautiful floral offerings.

Mr. and Mrs. John Millerman.  
Harold Dean Millerman  
Mrs. Gertrude Wade  
Mr. and Mrs. C. M. Dowlen  
Mr. and Mrs. S. L. Robinson.

### MRS. W. C. KUNZE ENTERTAINS

Mrs. W. C. Kunze was hostess Saturday evening to a number of girls at a party honoring Miss Amy Cowan of Ohio, who has been her guest the past two weeks. Diversion was furnished by forty-two and other games, after which a salad course was served. The guests were Miss Amy Cowan, honoree, and Misses Agnes Meyers, Pearl Black, Dorothy Burrow, Bee

Holland, Frances Croson, Addaline Strain, and Lillian Atkins.

### MRS. B. T. JOHNSON CELEBRATES BIRTHDAY

Mrs. B. T. Johnson was honored with a surprise party on her birthday last Monday afternoon by a few of her old-time friends and neighbors. The group gathered early in the afternoon at her home and showered her with useful gifts for the household.

### MISS COWAN IS HONORED

Mrs. S. L. Ingham and Mrs. O. N. Gamble were joint hostesses Wednesday afternoon at a party given in honor of Miss Amy Cowan of Lebanon, Ohio. Games of forty-two were played by the guests at four tables. Miss Cowan has been a guest in the home of Rev. and Mrs. Kunze the past two weeks, but left this morning for San Antonio, New Orleans, and other points south where she will visit before returning to Ohio. She is a Welfare Worker of the American Company at Middleton, Ohio.

## Work of Manual Training Depart- ment Very Efficient

You would be surprised, folks, to see the furniture that is being turned out by the manual training department of Canyon High. Such masterpieces will live to be called antique furniture in the near future. It isn't considerate, folks, to look down on such a class and subject as manual training. It is impossible to determine just how important this class really is to Canyon High School, but by looking in the hall at Miss Tanner's dog house and knowing that the furnishings of the Superintendent's and Principal's offices consists largely of pieces made by this great department, will give the pupils and the public an inkling of the greatness of our work.

That isn't the half of our achievements yet, folks. We have been thus far too modest to bring out our real assets to this institution called Canyon High. Look at the fine magazine rack in the library made by some of the minor workmen of the class. Wayne Johnson and Bob Sikes are real proud of this masterpiece. But, as a real example of what some people think of this class is the fact that some of the students thought that the trophy case which the senior class is giving to the school was to be built or made by this class. The only reason the department can give for not complying to their wishes is that the student body and faculty could not appreciate such a piece of work as would be turned out by such skilled workmen under the supervision of our instructor.

Cedar chests by the dozen have been completed and more are under construction, and since spring has come, Ira Parker has erected a magnificent porch swing in which any girl should like to sit. Upholstering is done to a perfection by members of our band, and hat hooks, coat hangers, "nigger shooters," kites, miniature airplanes—both monoplanes and biplanes, are to be found among the accomplishments of this department.

All of our articles are made by hand, and we challenge the speed of the great modern machinery to do the work that compares with our speed and efficiency—The Manual Training Department.

A friend is a bank of credit on which we can draw supplies of confidence, counsel, sympathy, help and love.

Suitor: Sir, I have an attachment for your daughter.

Her Father: Young man, when my daughter needs accessories I'll buy them for her—Montreal Star.

## CAN YOU IMAGINE!

Miss Thayer not talking.  
Coach not walking?  
Bob Sikes smiling?  
R. T. hurrying?  
Ruth G. without D'Jelma?  
Grace Norman in a green Ford?  
Bessie B. mad?  
Miss Tanner bawling anyone out?  
Miss Rusk without her saying,  
"Now this is the proposition?"  
Robert Moore not shining shoes?  
Johnny Plaster playing leap frog?

Virginia Jarrett raving?  
Margaret Gamble not primping?  
Viola Shackelford not smiling?  
Bruce making a noise?  
Hettie Lou without her lessons?  
Joe Jennings as a dignified senator?

Ralph Cabe studying?  
Clarice without her witty sayings?  
Laurene not posing?  
Dorothy Faye without her curls?  
Mr. Webb not in Canyon High?  
Warren Whaley with black hair?  
Chicken serious?  
Frances Lewis without Irene and Leta?

Leroy Lowery not trying to act cute?

## JUNIOR-SENIOR BANQUET

The latest gossip among the Juniors and Seniors of Canyon High is the Junior-Senior Banquet. The Banquet is to be one of the greatest social events of the year. An event of this sort is unusual, and the Juniors and Seniors are looking forward to a merry time. The banquet will probably be held May 2, and preparations have already begun for one of the best entertainments of the year and of years past.

## DISTRICT MEET

About a thousand students from all over this part of the Panhandle enrolled here for the district meet held Friday and Saturday. The meet was held at the college under the supervision of W. E. Lockhart. You will notice that Canyon won very few points in the meet, but we had a very few contestants. We are proud of the few we did have, especially Helen Woods, who won first place in Senior Girls Declamation. We placed in several other events but that is the only first place we received.

The Pampa Harvesters took the banner from the Sandies in the track meet. The Sandies have held first place in track and field events for several years and we are glad to see Pampa win it. Here's hoping that Ole Canyon Hi wins first honors next year.

Court statistics show that wives get 65 per cent of the divorces. The same figures show that they also get a 100 per cent of the alimony.

Schools for good manners are a crying need, but they should be co-educational—Andre de Fouquieres.

## Juniors Make Known Their Achievements During This Year

When we enrolled at the first of this year we, the Juniors, began to feel that we were at last of some importance in High School. At our first class meeting many important things were accomplished after much debating. It did not take us long to decide that Dorothy Faye Rusk would be our president, because she had served as president for the first semester of our Freshman and Sophomore classes. Other officers elected were:

Ruth Greenfield, vice president.  
Lourene Alvord, secretary and treasurer.

Laurene Alvord was appointed reporter by the staff, but she soon became news collector of the paper, and Gwendolyn Black was elected reporter.

Almost the first thing we had to work for was to put Lourene Alvord, our queen, over the top. But when the last minute came to count the votes, we discovered that we had not worked hard enough to defeat the Seniors. Even though we were defeated in the contest, we had lots of fun working.

A social calendar was made at the first of the year, and it has been followed out as it was planned.

About the first entertainment of the year the Juniors entertained the Seniors with a "42" party at the home of Virginia Jarrett.

The following officers were elected at the second semester:  
Clarice Matthews, president.  
Bob Sikes, vice president.  
Ruth Smith, sec'y-treas.  
Oneal Porter, Reporter.

Many entertainments have been enjoyed by the Juniors this last semester. The Seniors entertained the Juniors with an apron-overall party at the home of Helen Woods.

A Valentine Tea was given the Seniors by the Juniors, at the home of Margaret Gamble at which everyone spent a very pleasant evening. The Juniors also enjoyed a picnic not very long ago. Everyone had "gobs" of fun and plenty to eat.

About the most important entertainment of the year will be given soon. It is the Junior-Senior Banquet. As this is our first attempt to have a banquet, we hope it "goes over in grand style."

## SENIOR PLAY

"PEG O' MY HEART"

"Oh, there's nothing half so sweet in life

As Love's young dream."

That's what Peg, the little red headed Irish girl thinks anyway, and Jerry doesn't often disagree with her. Peg who lives with her father in New York, is sent for by her uncle who lives in England, but before she arrives, he dies, and her solicitor takes her to her aunt.

Mrs. Chichester promises to keep the little beggar because their bank is "busted" and they need the money that Peg's uncle willed to anyone who takes care of Peg. Peg is very dissatisfied in the house with her aunt; her aunt's daughter, Ethel, and her son Alaric, treat her like a servant. Peg meets a friend of Alaric's, Jerry, whom she likes better than anyone else.

Jarvis, the footman, and Bennett, the maid, do not like Peg either. Mr. Brent, a married man "courts" Ethel and tries to get her to run away with him, but at the same time Peg runs off with Jerry to a dance and when she returns she finds Ethel ready to elope. Peg prevents this action, taking all the blame herself. Mr. Hawks, the solicitor comes at the end of the month to inquire how Peg is progressing. He finds her with her mind definitely made up to go back to her father. It is then that Jerry tells Peg the conditions of her uncle's will. Peg decides to stay in England. In the last act Jerry's identity is discovered, Peg finds that she loves him, and that nothing is half so sweet in life as love's young dream.

This is merely a summary of the play of the season, "Peg O' My Heart," which will be presented at the High School by the Seniors the latter part of May. Many of the old actors are to take part in this performance and we feel assured of its success.

## RETRIBUTION

She danced and sang and went to the show,  
She laughed and played, let her lessons go,  
With a "Whoopie, who cares, let 'em kick,  
Teachers always makes me sick!"  
Her reports came, "Two subjects I've failed,"  
To everyone, all through the day, she wailed,  
And when her father came home out of patience and late,  
The verdict was "Young lady this month not a date." —R.B.

Chasing a rainbow is a very poor way to provide for a rainy day.

## College Quartet Sings Numerous Songs in Chapel

### CHAPEL PROGRAM

The student body was entertained with a very enjoyable chapel program last Thursday.

The College quartette sang many good songs. The best of all being "Mary Had a Little Lamb." A few of the other numbers were: "Drink to Me With Thine Eyes," "Kentucky Babe," and "Bells of St. Mary."

There was one request sent in by Mr. Carruth. His request ended the program. It is unnecessary to tell the quartette that everyone enjoyed the program because of the applause given them.

The student body sincerely hopes the quartette will be back soon.

The members of the quartette were: Clyde Norman, Tate Fry, Noel Gollehon, and Eurith Comp-ton.

### JUNIOR SPONSOR

The Junior class of '29 wishes to show their appreciation of the many beneficial undertakings that have been accomplished during the leadership of Miss Rebecca Thayer, the Junior sponsor. Each student of C. H. S. knows of the bad (and a "little good") in the Juniors and that in order to succeed in the attempts, there must be a strong, efficient sponsor to work with the class president, officials, and members.

Each Junior's motto is an individual one which in a few words means, "Have a good time," and this is shared by Miss Thayer who is always willing to have "fun and more fun."

At the class meetings Miss Thayer is always found with high spirits and a smile for everyone. She has given advice which is not only helpful to the class as a whole, but to each individual. As to sportsmanship—she has all that!

Miss Thayer not only looks in past and present for the welfare of the class but has planned several things that will be accomplished by the Seniors of '30. Each one has enjoyed having Miss Thayer as a sponsor.

### JUNIOR RECITAL

Thursday evening, April 18, the Misses Margaret Gamble and Dorothy Faye Rusk were presented in a joint piano recital at the High School auditorium. They were assisted by Miss Harriet Dickenson. Miss Gamble and Miss Rusk are both very popular Juniors in Canyon High, and they are both noted for their artistry at the piano. This was the first Junior recital of the year and it was a great success.

March Megron	Paldini
Arabesque	Paul Wacks
Margaret Gamble	
Song Without Words	Oley Speaks
Dance Creole	Chaminade
Dorothy Faye Rusk

(Program by courtesy of High School Music Club.)

Howard Bagwell of Amarillo was visiting in Canyon this week end. He is a junior in high school, having moved from Canyon to Amarillo only a short while ago.

To control men you must control their imagination.—Brisbane.

### JUNIORS WANT TO KNOW

If Joe Jennings ever studies?  
If they raise corn on the cob in Arkansas?

If Mr. Webb ever was a "dumb" Junior?

Why Spanish was the dead language last week instead of Latin? Why the Seniors never entertain the Juniors?

If fish go crazy when they go insane?

If there ever was a time when Miss Clark didn't know her geometry?

Why Clarice Matthews doesn't learn to sing?

### ADDITION TO PIANO DEPARTMENT NEXT YEAR

At the opening of school next fall piano classes will be offered for beginners. In these classes each student will have regular work at the piano key board. The student will receive work in tone production, technique, and time as in private lessons. Classes will be held three times a week and students will be tutored for a quarter's work (three months). The fee will be \$6 a quarter. Piano class lessons have proved most successful and profitable to the student. Enrollment has begun for next year and Mrs. Fry will be glad to see those who are interested and wish to sign up for class work for beginners.

Next year all who take private piano lessons will be entitled to ensemble work free of charge. Ensemble work consists of two or more students playing at the same time. This is as enjoyable as it is helpful to the students.

### M. M. B. LEAGUE PICNIC

Tuesday evening at 6:30 o'clock, a crowd of members of the M. M. B. League and some invited guests gathered at the Methodist church with their lunches and as many cars as could be borrowed. They left at about 7:00 o'clock for the Six Mile Crossing. When they arrived they played games such as "Three Deep," "Flying Dutchman," and "Drop the Handkerchief." One of the guests was crossing the creek on a log, his foot slipped, and he fell into the creek. This necessitated the building of a fire to dry his clothes.

About 8:00 o'clock the lunch was eaten. This was relished by all. Many good things to eat had been prepared by the various members. After supper, the picnickers went down the creek and sang. Some more cars arrived and the party returned home about 9:30 o'clock.

### BASKETBALL GIRLS

The Junior girls have made C. H. S. basketball a success this year. The basketball team consisted of some six Junior girls, three of whom played on the first team. Pauline Wilson and Ruth Greenfield have played many good defense games this year, displaying excellent ability in guarding. Better things are expected of these girls next year. Nelavee Roberts has played forward and center this year and we expect her to show her "stuff" next year. Ruth Smith did not play until after Christmas, but she has made a good sub and is a promising player. With the backing of the whole school, the girls, with the help of new players are sure to make the best team in the Panhandle. Let's back the girls next year!

### NOTHING EXCEPT LAZINESS

Policeman: "How did you come to get that jar of honey?"

Tramp: "Well, I admit I don't keep no bees; but what's to stop a fellow squeezing it out of the flowers himself?"—London Humorist.

## Athletics of Canyon High to Continue Increase in 1930

Although Canyon High was proud of her football and basketball teams this year, we must look forward to the team we are to have next year.

We always wonder at the end of each year where our next ball teams are coming from. As students graduate from a school they are missed, but there are always others who step up and take their places. At least that is what will happen next year, for as Murphy, Wiggins, Williams, Johnson, O'Donald, Covington, and the rest of the gang move on there will be Jim Cabe, Hoxie Cabe, Sikes, McDaniels, Jennings, Covington, Whaley, and many more who will take their places. All of these boys will turn out to be as good Eagles, if not better, than the ones we are now losing.

Remember when the Juniors played the Seniors. That was merely luck on their part, and bad luck on our part that we lost; because we certainly put up a good fight.

With the help of Coach Spann next year we're sure to have a "keen" team.

### WHO'S WHO AMONG THE JUNIORS

Among the Juniors there are quite a few "real smart" students. One of these is a very conscientious worker, making many sacrifices to obtain an education that she might more ably fill her place in the world. By nature she is not quiet, but is very studious. She came out for basketball practice and enjoyed it very much. She does not take much interest in the affairs of the Junior class but works daily to uphold the standard of the high school by giving unselfishly of her time and efforts toward intellectual pursuits. This student is Hettie Lou Bagley, and she is one of the Junior's honor students.

The geometry students have had a great deal of fun getting geometric figures from clothing and trade marks. The common expression heard in the halls last week was, "Oh, there's a geometric figure." The person who was unfortunate enough to have geometric figures on their clothing would blush and disappear quickly if they saw some impolite person pointing at them. If you were ever thus embarrassed during the week it was only because there was geometric figures in your clothing.

Many nice papers with colored geometric figures were handed to Miss Clark. The students also learned that geometry wasn't entirely useless after all.

### TEACHERS TAKE NOTICE

After years of hard work and artistic endeavors I have finally formulated a plan which (if used conscientiously) will curb all efforts of students to talk from eight-thirty until nine, from twelve thirty until one, and between periods.

1. Each student will be met at the door as they enter at eight thirty by a teacher equipped with a sawed-off shot gun. They will then be led to the lockers to get their books.

2. In the locker room each student will be given a gag which will serve them during their walk from the lockers to their class room.

3. After reaching the class room the teacher in charge will have complete control until after that class, when the gag will be replaced.

4. Classrooms will be decorated with such notices as "Silence Has It's Rewards" and "Think Before You Speak."

5. During classes the students will sit two seats apart and the teacher in charge will be armed with a jack knife so as to inspire respect.

6. Highly tuned dictaphones will be concealed in the rooms to catch the slightest whisper.

### MISS CARRIE GUTHRIE TO BE PRESENTED IN RECITAL

Miss Carrie Guthrie of the expression department will be presented in a recital Friday evening at eight o'clock. She will be assisted by Miss Amogene Fowler of the music department. Both students are very talented, and we are sure their program will be very enjoyable.

**JUNIOR-SENIOR BANQUET**

The latest gossip among the Juniors and Seniors of Canyon High is the Junior-Senior Banquet. The Banquet is to be one of the greatest social events of the year. An event of this sort is unusual, and the Juniors and Seniors are looking forward to a merry time. The banquet will probably be held May 2, and preparations have already begun for one of the best entertainments of the year and of years past.

**DISTRICT MEET**

About a thousand students from all over this part of the Panhandle enrolled here for the district meet held Friday and Saturday. The meet was held at the college under the supervision of W. E. Lockhart. You will notice that Canyon won very few points in the meet, but we had a very few contestants. We are proud of the few we did have, especially Helen Woods, who won first place in Senior Girls Declamation. We placed in several other events but that is the only first place we received.

The Pampa Harvesters took the banner from the Sandies in the track meet. The Sandies have held first place in track and field events for several years and we are glad to see Pampa win it. Here's hoping that old Canyon Hi wins first honors next year.

Court statistics show that wives get 65 per cent of the divorces. The same figures show that they also get a 100 per cent of the alimony.

Schools for good manners are a crying need, but they should be co-educational—Andre de Fouquieres.

**Juniors Make Known  
Their Achievements  
During This Year**

When we enrolled at the first of this year we, the Juniors, began to feel that we were at last of some importance in High School. At our first class meeting many important things were accomplished after much debating. It did not take us long to decide that Dorothy Faye Rusk would be our president, because she had served as president for the first semester of our Freshman and Sophomore classes. Other officers elected were:

Ruth Greenfield, vice president.  
Laurene Alvord, secretary and treasurer.

Laurene Alvord was appointed reporter by the staff, but she soon became news collector of the paper, and Gwendolyn Black was elected reporter.

Almost the first thing we had to work for was to put Laurene Alvord, our queen, over the top. But when the last minute came to count the votes, we discovered that we had not worked hard enough to defeat the Seniors. Even though we were defeated in the contest, we had lots of fun working.

A social calendar was made at the first of the year, and it has been followed out as it was planned.

About the first entertainment of the year the Juniors entertained the Seniors with a "42" party at the home of Virginia Jarrett.

The following officers were elected at the second semester:  
Clarice Matthews, president.  
Bob Sikes, vice president.  
Ruth Smith, sec'y-treas.  
Oneal Porter, Reporter.

Many entertainments have been enjoyed by the Juniors this last semester. The Seniors entertained the Juniors with an apron-overall party at the home of Helen Woods.

A Valentine Tea was given the Seniors by the Juniors, at the home of Margaret Gamble at which everyone spent a very pleasant evening. The Juniors also enjoyed a picnic not very long ago. Everyone had "gobs" of fun and plenty to eat.

About the most important entertainment of the year will be given soon. It is the Junior-Senior Banquet. As this is our first attempt to have a banquet, we hope it "goes over in grand style."

**SENIOR PLAY**

"PEG O' MY HEART"  
"Oh, there's nothing half so sweet in life

As Love's young dream."

That's what Peg, the little red headed Irish girl thinks anyway, and Jerry doesn't often disagree with her. Peg who lives with her father in New York, is sent for by her uncle who lives in England, but before she arrives, he dies, and her solicitor takes her to her aunt.

Mrs. Chichester promises to keep the little beggar because their bank is "busted" and they need the money that Peg's uncle willed to anyone who takes care of Peg.

Peg is very dissatisfied in the house with her aunt; her aunt's daughter, Ethel, and her son Alaric, treat her like a servant. Peg meets a friend of Alaric's, Jerry, whom she likes better than anyone else.

Jarvis, the footman, and Bennett, the maid, do not like Peg either. Mr. Brent, a married man "courts" Ethel and tries to get her to run away with him, but at the same time Peg runs off with Jerry to a dance and when she returns she finds Ethel ready to elope. Peg prevents this action, taking all the blame herself. Mr. Hawks, the solicitor comes at the end of the month to inquire how Peg is progressing. He finds her with her mind definitely made up to go back to her father. It is then that Jerry tells Peg the conditions of her uncle's will. Peg decides to stay in England. In the last act Jerry's identity is discovered, Peg finds that she loves him, and that nothing is half so sweet in life as love's young dream.

This is merely a summary of the play of the season, "Peg O' My Heart," which will be presented at the High School by the Seniors the latter part of May. Many of the old actors are to take part in this performance and we feel assured of its success.

**RETRIBUTION**

She danced and sang and went to the show, She laughed and played, let her lessons go, With a "Whoopie, who cares, let 'em kick, Teachers always makes me sick!" Her reports came, "Two subjects I've failed."

To everyone, all through the day, she wailed, And when her father came home out of patience and late, The verdict was "Young lady this month not a date." —R.B.

Chasing a rainbow is a very poor way to provide for a rainy day.

**College Quartet  
Sings Numerous  
Songs in Chapel**

**CHAPEL PROGRAM**  
The student body was entertained with a very enjoyable chapel program last Thursday.

The College quartette sang many good songs. The best of all being "Mary Had a Little Lamb." A few of the other numbers were: "Drink to Me With Thine Eyes," "Kentucky Babe," and "Bells of St. Mary."

There was one request sent in by Mr. Carruth. His request ended the program. It is unnecessary to tell the quartette that everyone enjoyed the program because of the applause given them.

The student body sincerely hopes the quartette will be back soon.

The members of the quartette were: Clyde Norman, Tate Fry, Noel Gollehon, and Eurith Comp-ton.

**JUNIOR SPONSOR**

The Junior class of '29 wishes to show their appreciation of the many beneficial undertakings that have been accomplished during the leadership of Miss Rebecca Thayer, the Junior sponsor. Each student of C. H. S. knows of the bad (and a "little good") in the Juniors and that in order to succeed in the attempts, there must be a strong, efficient sponsor to work with the class president, officials, and members.

Each Junior's motto is an individual one which in a few words means, "Have a good time," and this is shared by Miss Thayer who is always willing to have "fun and more fun."

At the class meetings Miss Thayer is always found with high spirits and a smile for everyone. She has given advice which is not only helpful to the class as a whole, but to each individual. As to sportsmanship—she has all that!

Miss Thayer not only looks in past and present for the welfare of the class but has planned several things that will be accomplished by the Seniors of '30. Each one has enjoyed having Miss Thayer as a sponsor.

**JUNIOR RECITAL**

Thursday evening, April 18, the Misses Margaret Gamble and Dorothy Faye Rusk were presented in a joint piano recital at the High School auditorium. They were assisted by Miss Harriet Dickenson.

Miss Gamble and Miss Rusk are both very popular Juniors in Canyon High, and they are both noted for their artistry at the piano. This was the first Junior recital of the year and it was a great success.

March Megron Paulini Arabesque Paul Wacks Margaret Gamble

Howard Bagwell of Amarillo was visiting in Canyon this week end. He is a junior in high school, having moved from Canyon to Amarillo only a short while ago.

To control men you must control their imagination.—Brisbane.

**JUNIORS WANT TO KNOW**

If Joe Jennings ever studies?  
If they raise corn on the cob in Arkansas?  
If Mr. Webb ever was a "dumb" Junior?

Why Spanish was the dead language last week instead of Latin?  
Why the Seniors never entertain the Juniors?

If fish go crazy when they go in (sane)?

If there ever was a time when Miss Clark didn't know her geometry?

Why Clarice Matthews doesn't learn to sing?

**ADDITION TO PIANO DEPARTMENT NEXT YEAR**

At the opening of school next fall piano classes will be offered for beginners. In these classes each student will have regular work at the piano key board. The student will receive work in tone production, technique, and time as in private lessons. Classes will be held three times a week and students will be tutored for a quarter's work (three months). The fee will be \$6 a quarter. Piano class lessons have proved most successful and profitable to the student. Enrollment has begun for next year and Mrs. Fry will be glad to see those who are interested and wish to sign up for class work for beginners.

Next year all who take private piano lessons will be entitled to ensemble work free of charge. Ensemble work consists of two or more students playing at the same time. This is as enjoyable as it is helpful to the students.

**M. M. B. LEAGUE PICNIC**

Tuesday evening at 6:30 o'clock, a crowd of members of the M. M. B. League and some invited guests gathered at the Methodist church with their lunches and as many cars as could be borrowed. They left at about 7:00 o'clock for the Six Mile Crossing. When they arrived they played games such as "Three Deep," "Flying Dutchman," and "Drop the Handkerchief." One of the guests was crossing the creek on a log, his foot slipped, and he fell into the creek. This necessitated the building of a fire to dry his clothes.

About 8:00 o'clock the lunch was eaten. This was relished by all. Many good things to eat had been prepared by the various members. After supper, the picnicers went down the creek and sang. Some more cars arrived and the party returned home about 9:30 o'clock.

**BASKETBALL GIRLS**

The Junior girls have made C. H. S. basketball a success this year. The basketball team consisted of some six Junior girls, three of whom played on the first team. Pauline Wilson and Ruth Greenfield have played many good defense games this year, displaying excellent ability in guarding. Better things are expected of these girls next year. Nelavee Roberts has played forward and center this year and we expect her to show her "stuff" next year. Ruth Smith did not play until after Christmas, but she has made a good sub and is a promising player. With the backing of the whole school, the girls, with the help of new players are sure to make the best team in the Panhandle. Let's back the girls next year!

**NOTHING EXCEPT LAZINESS**

Policeman: "How did you come to get that jar of honey?"

Tramp: "Well, I admit I don't keep no bees; but what's to stop a fellow squeezing it out of the flowers himself?"—London Humorist.

**Athletics of Canyon  
High to Continue  
Increase in 1930**

Although Canyon High was proud of her football and basketball teams this year, we must look forward to the team we are to have next year.

We always wonder at the end of each year where our next ball teams are coming from. As students graduate from a school they are missed, but there are always others who step up and take their places. At least that is what will happen next year, for as Murphy, Wiggins, Williams, Johnson, O'Donnald, Covington, and the rest of the gang move on there will be Jim Cabe, Hoxie Cabe, Sikes, McDaniels, Jennings, Covington, Whaley, and many more who will take their places. All of these boys will turn out to be as good Eagles, if not better, than the ones we are now losing.

Remember when the Juniors played the Seniors. That was merely luck on their part, and bad luck on our part that we lost; because we certainly put up a good fight.

With the help of Coach Spann next year we're sure to have a "keen" team.

**WHO'S WHO AMONG THE JUNIORS**

Among the Juniors there are quite a few "real smart" students. One of these is a very conscientious worker, making many sacrifices to obtain an education that she might more ably fill her place in the world. By nature she is not quiet, but is very studious. She came out for basketball practice and enjoyed it very much. She does not take much interest in the affairs of the Junior class but works daily to uphold the standard of the high school by giving unselfishly of her time and efforts toward intellectual pursuits. This student is Hettie Lou Bagley, and she is one of the Junior's honor students.

The geometry students have had a great deal of fun getting geometric figures from clothing and trade marks. The common expression heard in the halls last week was, "Oh, there's a geometric figure." The person who was unfortunate enough to have geometric figures on their clothing would blush and disappear quickly if they saw some impolite person pointing at them. If you were ever thus embarrassed during the week it was only because there was geometric figures in your clothing. Many nice papers with colored geometric figures were handed to Miss Clark. The students also learned that geometry wasn't entirely useless after all.

D'Jelma Black  
Reporters—Whaley, Cabe, Gamble, Porter, Reeves, Black, Rusk.

**TEACHERS TAKE NOTICE**

After years of hard work and artistic endeavors I have finally formulated a plan which (if used conscientiously) will curb all efforts of students to talk from eight-thirty until nine, from twelve thirty until one, and between periods.

1. Each student will be met at the door as they enter at eight thirty by a teacher equipped with a sawed-off shot gun. They will then be led to the lockers to get their books.

2. In the locker room each student will be given a gag which will serve them during their walk from the lockers to their class room.

3. After reaching the class room the teacher in charge will have complete control until after that class, when the gag will be replaced.

4. Classrooms will be decorated with such notices as "Silence Has It's Rewards" and "Think Before You Speak."

5. During classes the students will sit two seats apart and the teacher in charge will be armed with a jack knife so as to inspire respect.

6. Highly tuned dictaphones will be concealed in the rooms to catch the slightest whisper.

**MISS CARRIE GUTHRIE TO BE PRESENTED IN RECITAL**

Miss Carrie Guthrie of the expression department will be presented in a recital Friday evening at eight o'clock. She will be assisted by Miss Amogene Fowler of the music department. Both students are very talented, and we are sure their program will be very enjoyable.

Help Keep Canyon Clean!

**LAND  
FOR SALE**

AT RED HOT TRADES DAY PRICES

NOTE THESE LAND BARGAINS

320 acres of perfect unimproved land in Deaf Smith County at \$16.00 per acre. \$7.00 per acre cash, balance one to five years at 6% interest.

**Perhaps WE Can  
Solve YOUR Problem**

IN ANY man's life a thousand little problems arise which can be solved only by money. It's our business to co-operate financially with responsible parties. By consulting with us about your problem you can solve it in the best possible manner.

**The First State Bank of Canyon**

### Wayside Items

Friday last was a big day for Wayside. Meeting of the State Park board in the interest of a road to our county seat, Claude. Representatives from all surrounding towns and counties. A bountiful dinner was spread at the noon hour on the barbecue grounds after which a great number visited

the Palo Duro and Happy canyons. Tulla furnished cold drinks to the immense crowd. Everybody seemed to enjoy the day. Wheat is beginning to need rain. Looks well yet, but will begin to suffer before long. This is the last week of school at Wayside. School program here Thursday night. Entertainment at Fairview Friday night. A play by some of the ladies of the Home

Demonstration Club Saturday night at Wayside, assisted by gentlemen of the neighborhood. J. C. Payne has been quite sick the greater part of last week. Still in bed but some better. Mrs. C. F. Watson was taken very ill Saturday morning early. Still quite sick. Born to Mr. and Mrs. Irving So-Relle, a son April 18, in an Amarillo hospital.

### Jowell Items

A good crowd heard Brother Johnson preach Sunday morning and evening. A revival meeting will be held in our community soon. Watch for the date. A prayer meeting will be held at the school house Sunday evening. Everyone is invited to come and bring someone with you.

Mr. and Mrs. Irl George who live near Tulla were the guests of Mr. and Mrs. Henry Burtz Sunday. Frank Davis made a business trip to Amarillo Saturday. Mr. and Mrs. Tom Durham were visiting in this community Sunday. Mrs. John Crowley and grandson, Muir are visiting Mrs. Jennings this week.

A host of friends gathered Saturday evening to surprise Mrs. Henry Burtz on her birthday. After several games were played, cake and punch was served. Everyone declared he had a nice time. Miss Dixie Foster spent the week end with Mildred Burtz. Mrs. Milton Dooley visited Mrs. Weathers Sunday.

#### THE CENTER OF IT!

The Boston preacher had just returned from a tour of the world which his congregation had generously paid for. They met to congratulate him and hear of what he had seen in his travels and what his conclusions were. The preacher arose and said:

"My brethren, after travelling all over the world, I have come to the conclusion that there is but one world in the universe and the North American continent is the center of it."

"I have come to the conclusion there is but one continent and the United States is the center of it."

"I have come to the conclusion that there is but one country and Massachusetts is the center of it."

"I have come to the conclusion that there is but one state and Boston is the center of it."

"I have come to the conclusion that there is but one city and this church is the center of it."

"I have come to the conclusion that there is but one church and I am the center of it."

#### OH, RUSSEL!

Russel Crouse, who conducts a good column also (this is in the New York Evening Post) is guilty of this:

"A Filipino manufacturer is making dress material from banana stalks and the clothing which will eventually result should, of course, be easy to slip on."

**Remove Grease From Wallpaper**  
Moisten a soft flannel cloth with alcohol and rub gently over grease spots on wall paper and they will disappear.

The farmers should not holler so loud about the difficulties of their business and that no one will loan them any money.

## Amarillo

On Wed. & Thursday, May 8 & 9,

At Amarillo Hotel

From 10 a. m. to 4 p. m.  
Evenings by telephone  
appointment only

TWO DAYS ONLY

No Charge for Consultation

Mr. C. F. Redlich, the successful expert says:

The "Perfect Retention Shields" hold the rupture perfectly, no matter what position the body assumes or how heavy a weight you lift. They give instant relief, contract the opening in a remarkably short time and strengthen the weak tissues (the real cause of rupture) so that they frequently recover their previous natural retaining power, needing no further outside support. Stomach trouble, backache and constipation often caused by Rupture promptly disappear.

Truly remarkable and prompt results have been obtained not only with recent and not fully developed ruptures but also with old, long neglected ones.

Ingenious, recently perfected devices are now holding ruptures firmly which heretofore never had been retained.

No elastic belts nor filthy leg-straps are used.

I guarantee the durability of my absolutely sweat and moisture proof, sanitary appliances.

75% of ruptured children recover completely through expert mechanical treatment according to statistics.

Do not waste your money on widely advertised mail order contraptions. You cannot fit yourself.

C. F. REDLICH, Rupture Appliance Expert, Home office, 535 Boston Block, Minneapolis, Minnesota.

TWO DAYS ONLY

No Charge for Consultation

Mr. C. F. Redlich, the successful expert says:

The "Perfect Retention Shields" hold the rupture perfectly, no matter what position the body assumes or how heavy a weight you lift. They give instant relief, contract the opening in a remarkably short time and strengthen the weak tissues (the real cause of rupture) so that they frequently recover their previous natural retaining power, needing no further outside support. Stomach trouble, back-ache and constipation often caused by Rupture promptly disappear.

Truly remarkable and prompt results have been obtained not only with recent and not fully developed ruptures but also with old, long neglected ones.

Ingenious, recently perfected devices are now holding ruptures firmly which heretofore never had been retained.

No elastic belts nor filthy leg-straps are used.

I guarantee the durability of my absolutely sweat and moisture proof, sanitary appliances.

75% of ruptured children recover completely through expert mechanical treatment according to statistics.

Do not waste your money on widely advertised mail order contraptions. You cannot fit yourself.

C. F. REDLICH, Rupture Appliance Expert, Home office, 535 Boston Block, Minneapolis, Minnesota.

**NOT A SINGLE ARREST**

The town of Hooper, Neb., has laid claim to the "Law Abiding Championship."

It is a town of 1,014 population, and during 1928 not a single arrest was made within its borders.

All the people obeyed the law. At least none were caught disobeying it.

William J. Dau, Chairman of the Board of Trustees of that town, says that the churches are well attended, the schools are well filled, and the people mostly "mind their own business."

That's the valuable lesson that can be learned from the record of this model town. The people mostly "mind their own business."

When people do that, there is

very little chance of their breaking any of the laws. More than that, there is very little chance of the heartbreaking tragedies that happen mostly because people attend to other people's business.

Well said, Mr. Dau. Your town is to be congratulated.

Some men never think of their innocent wives or their invalid mothers until they get in jail.

**HJR NO. 6**

**A JOINT RESOLUTION** proposing an amendment to the Constitution of the State of Texas providing for a Supreme Court of nine members, and for continuous session of that Court—

**BE IT RESOLVED BY THE LEGISLATURE OF THE STATE**

**OF TEXAS:**

Section 1. That Sections 2 and 3 of Article 5 of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Article 5, Section 2. The Supreme Court shall consist of a Chief Justice and eight Associate Justices, any four of whom shall constitute a quorum, and the concurrence of five shall be necessary to a decision of a case; in other matters until otherwise provided by Law, the jurisdiction of the Court shall be exercised under such regulations and orders as the Court by a majority vote may prescribe. No person shall be eligible to the office of Chief Justice or Associate Justice of the Supreme Court unless he be, at the time of his election, a citizen of the United States and of this State and unless he shall have attained the age of thirty years, and shall have been a practicing lawyer or a judge of a court, or such lawyer and judge together at least seven years. Said Chief Justice and Associate Justices shall be elected by the qualified voters of the State at a general election, shall hold their offices six years, or until their successors are elected and qualified, and shall receive such compensation as may be provided by law. In case of a vacancy in the office of Chief Justice or Associate Justice, the Governor shall fill the vacancy until the next general election for State officers, and at such general election the vacancy for the unexpired term shall be filled by election by the qualified voters of the State. The Justices of the Supreme Court who may be in office at the time this amendment takes effect shall continue in office until the expiration of their term of office under the present Constitution, and until their successors are elected and qualified. When this amendment takes effect, the Governor shall immediately appoint six additional Associate Justices of the Supreme Court for terms of office so that the terms of two of such appointed Associate Justices shall expire with the term of office of each of the present members of the Supreme Court, and upon the qualification of such new Justices, the Commission of Appeals of the State of Texas shall terminate."

"Article V, Section 3. The Supreme Court shall have appellate jurisdiction only except as herein specified, which shall be co-extensive with the limits of the State. Its appellate jurisdiction shall extend to questions of law arising in cases of which the Courts of Civil Appeals have appellate jurisdiction under such restrictions and regulations as the Legislature may prescribe. Until otherwise provided by law, the appellate jurisdiction of the Supreme Court shall extend to questions of law arising in the cases in which the Courts of Civil Appeals may have jurisdiction, or where a Statute of the State is held void, and shall extend to such other questions as may be within the Court's Appellate Jurisdiction under the Statutes of the State in force when this amendment takes effect. The Supreme Court and the Justices thereof shall have power to issue writs of habeas corpus, as may be prescribed by Law, and under such regulations as may be prescribed by Law, the said Court and the Justices thereof may issue the writs of mandamus, procedendo, certiorari and such other writs, as may be necessary to enforce its jurisdiction. The Legislature may confer original jurisdiction on the Supreme Court to issue writs of quo warranto and mandamus in such cases as may be specified, except as against the Governor of the State. The Supreme Court shall have power upon affidavit or otherwise, to ascertain such matters of fact as may be necessary to the proper exercise of its jurisdiction. The Supreme Court shall be open at all times and shall sit at the State Capitol for the transaction of business at such times as may be designated by the Court. The Supreme Court shall appoint a clerk, who shall give bond in such manner as is now or may hereafter, be required by law, and he may hold his office for four years and shall be subject to removal by said Court for good cause."

ed by law, the appellate jurisdiction of the Supreme Court shall extend to questions of law arising in the cases in which the Courts of Civil Appeals may have jurisdiction, or where a Statute of the State is held void, and shall extend to such other questions as may be within the Court's Appellate Jurisdiction under the Statutes of the State in force when this amendment takes effect. The Supreme Court and the Justices thereof shall have power to issue writs of habeas corpus, as may be prescribed by Law, and under such regulations as may be prescribed by Law, the said Court and the Justices thereof may issue the writs of mandamus, procedendo, certiorari and such other writs, as may be necessary to enforce its jurisdiction. The Legislature may confer original jurisdiction on the Supreme Court to issue writs of quo warranto and mandamus in such cases as may be specified, except as against the Governor of the State. The Supreme Court shall have power upon affidavit or otherwise, to ascertain such matters of fact as may be necessary to the proper exercise of its jurisdiction. The Supreme Court shall appoint a clerk, who shall give bond in such manner as is now or may hereafter, be required by law, and he may hold his office for four years and shall be subject to removal by said Court for good cause."

entered of record on the Minutes of said Court who shall receive such compensation as the Legislature may provide."

Sec. 2. Said proposed Constitutional amendment shall be submitted to a vote of the qualified electors of this State at a special election to be held throughout the State on Tuesday, July 16, 1929, at which election each voter opposing said proposed amendment shall scratch off of the ballot with a pen or pencil the following words printed on said ballot: "For the amendment to the State Constitution providing for a Supreme Court of nine members, and for continuous session of that Court," and each voter favoring said proposed amendment shall scratch off the ballot in the same manner the following words printed on said ballot: "Against the amendment to the State Constitution providing for a Supreme Court of nine members, and for continuous session of that Court." If it appears from the returns of said election that a majority of the votes cast are in favor of said amendment, the same shall become a part of the State Constitution.

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published and said election held as provided by the Constitution and Laws of this State.

Sec. 4. The sum of Five Thousand (\$5,000.00) Dollars, or so much thereof as may be necessary is hereby appropriated out of the State Treasury to pay for the expenses of said publication and election.

Approved February 19, 1929.

## What Satisfied Users Say

Walter Fly, of Vega and Amarillo—a Prominent Phillips User

Scene on Fly's Farm South of Vega, Showing 5 Tractors which Use Phillips Products 100%

The following are excerpts from bona-fide letters on file at Phillips Petroleum office, written by satisfied customers. They tell their own story!

Vega, Tex., March 20, 1929

Phillips Petroleum Company,  
Amarillo, Texas.

Gentlemen:

I started to use Phillips oil last July 1, and find it superior to all oils I ever used. I had the first tractor used successfully in the Panhandle in 1913. I think I have used about all kinds of oil made.

Anyone can't go wrong in buying Phillips oil.  
Yours truly,  
Herschel Cramer

Hereford, Tex., March 21, 1929

Phillips Petroleum Company,  
Amarillo, Texas.

Gentlemen:

I want to tell you of the extra fine service I have obtained from the use of your Phillips oils and motor fuel. Recently we overhauled a tractor that had completed about 3500 acres of plowing. We found a very small amount of carbon which showed us that the lubricating oil was doing a correct job. We also found that there was practically no wear on any part of the motor.

I am convinced there is no economy in buying bargain oils. Phillips motor and tractor oils meet my demands and I have never found as complete satisfaction in any other oils.

Yours very truly,  
F. W. Brunson

Hereford, Texas, March 21, 1929

Phillips Petroleum Company,  
Amarillo, Texas.

Dear Sirs:

I have obtained complete satisfaction from the use of Phillips motor oils and Phillips 66. Before using them, my oil was costing me much more money. Now I am getting exactly as good service from Phillips oils and will continue to use them in both my tractors and my automobiles.

Your service is excellent.

Yours very truly,  
J. L. Hutson

Hereford, Texas, March 21, 1929

Phillips Petroleum Company,  
Amarillo, Texas.

I am an Oakland and Pontiac dealer and am very much interested in lubricating oils. I have made a number of endurance tests and operating tests and find Phillips motor oils are far superior to any I can obtain. Therefore, I am using them exclusively and am glad to recommend them to my customers.

Yours respectfully,  
Dixon Motor Co.

**HJR NO. 6**

**A JOINT RESOLUTION** proposing an amendment to the Constitution of the State of Texas providing for a Supreme Court of nine members, and for continuous session of that Court—  
**BE IT RESOLVED BY THE LEGISLATURE OF THE STATE**

**OF TEXAS:**

Section 1. That Sections 2 and 3 of Article 5 of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Article 5, Section 2. The Supreme Court shall consist of a Chief Justice and eight Associate Justices, any five of whom shall constitute a quorum, and the concurrence of five shall be necessary to a decision of a case; in other matters until otherwise provided by Law, the jurisdiction of the Court shall be exercised under such regulations and orders as the Court by a majority vote may prescribe. No person shall be eligible to the office of Chief Justice or Associate Justice of the Supreme Court unless he be, at the time of his election, a citizen of the United States and of this State and unless he shall have attained the age of thirty years, and shall have been a practicing lawyer or a judge of a court, or such lawyer and judge together at least seven years. Said Chief Justice and Associate Justices shall be elected by the qualified voters of the State at a general election, shall hold their offices six years, or until their successors are elected and qualified, and shall receive such compensation as may be provided by law. In case of a vacancy in the office of Chief Justice of the Supreme Court, the Governor shall fill the vacancy until the next general election for State officers, and at such general election the vacancy for the unexpired term shall be filled by election by the qualified voters of the State. The Judges of the Supreme Court who may be in office at the time this amendment takes effect shall continue in office until the expiration of their term of office under the present Constitution, and until their successors are elected and qualified. When this amendment takes effect, the Governor shall immediately appoint six additional Associate Justices of the Supreme Court for terms of office so that the terms of two of such appointed Associate Justices shall expire with the term of office of each of the present members of the Supreme Court, and, upon the qualification of such new Justices, the Commission of Appeals of the State of Texas shall terminate."

"Article V, Section 3. The Supreme Court shall have appellate jurisdiction only except as herein specified, which shall be co-extensive with the limits of the State. Its appellate jurisdiction shall extend to questions of law arising in cases of which the Courts of Civil Appeals have appellate jurisdiction under such restrictions and regulations as the Legislature may prescribe. Until otherwise provided by law, the appellate jurisdiction of the Supreme Court shall extend to questions of law arising in the cases in the Courts of Civil Appeals in which the Judges of any Court of Civil Appeals may disagree or where the several Courts of Civil Appeals may hold differently on the same question of law, or where a Statute of the State is held void, and shall extend to such other questions as may be within the Court's Appellate Jurisdiction under the Statutes of the State in force when this amendment takes effect. The Supreme Court and the Justices thereof shall have power to issue writs of habeas corpus, as may be prescribed by Law, and under such regulations as may be prescribed by Law, the said Court and the Justices thereof may issue the writs of mandamus, procedendo, certiorari and such other writs, as may be necessary to enforce its jurisdiction. The Legislature may confer original jurisdiction on the Supreme Court to issue writs of quo warranto and mandamus in such cases as may be specified, except as against the Governor of the State. The Supreme Court shall have power, upon affidavit or otherwise as by the Court may be determined, to ascertain such matters of fact as may be necessary to the proper exercise of its jurisdiction. The Supreme Court shall be open at all times and shall sit at the State Capitol for the transaction of business at such times as may be designated by the Court. The Supreme Court shall appoint a clerk, who shall give bond in such manner as is now or may hereafter be required by law, and he may hold his office for four years and shall be subject to removal by said Court for good cause."

ed by law, the appellate jurisdiction of the Supreme Court shall extend to questions of law arising in the cases in the Courts of Civil Appeals in which the Judges of any Court of Civil Appeals may disagree or where the several Courts of Civil Appeals may hold differently on the same question of law, or where a Statute of the State is held void, and shall extend to such other questions as may be within the Court's Appellate Jurisdiction under the Statutes of the State in force when this amendment takes effect. ## Let's Go!

Are you ready to "go" after a day's hard work? If you are tired—lack pep—if your skin is not clear—if your appetite is "gone"—you owe it to yourself and friends to try S.S.S.

REMEMBER, in years gone by, when you couldn't wait for mealtime; always hungry; ready to go somewhere—to dances, the theatre or to spend the evening with friends?

But why the change? Possibly, overwork, worry, lack of exercise, sickness or some other cause has reduced your building and sustaining "workers"—the red-blood-cells.

Every cubic millimeter of the normal, healthy human's blood should contain approximately 5,000,000 red corpuscles—those tiny red particles which flow along the blood stream, giving color to the blood; carrying nourishment to the cells of the body, and working against disease.

Thousands of people have a low blood count—to this may be attributed "run-down" systems, pimples and boils, rheumatism, and even more serious ailments.

When you get your red-blood-cells back up to normal, that sluggish, let-down feeling, loss of appetite,

boils, pimples, skin troubles, and those pains usually called rheumatism, disappear. You get hungry again and you sleep soundly; firm flesh takes the place of that which was once flabby. You feel strong. Your nerves become steady. You throw off diseases.

You owe it to yourself and friends to give S.S.S. a trial. It helps Nature build rich, red blood—those vitalizing elements in the blood that build and sustain the body.

In building rich, red-blood-cells, S.S.S. improves the processes by which the body is nourished.

For more than 100 years S.S.S. has been helping people regain and retain their strength and charm. Thousands of users have testified to its benefit in unsolicited letters of gratitude.

Made from fresh vegetable drugs, gathered at the proper season of the year, S.S.S. gives to Nature what it needs in making you feel like yourself again.

All Drug Stores sell S.S.S. in two sizes. Ask for the larger size. It is more economical.

Copyright 1929 S.S.S. Co.

### JOTS IN JEST

Warden Snook objects to planting convicts who snook.

The good-will touring season in Mexico appears to be practically at an end.

In its farm relief efforts Congress might at least restore the free garden seeds.

Nobody reads editorials, some say. But just bawl somebody out in one and see what happens.

Chicago should establish another Loop district, with the loops around a lot of bandits' necks.

The average legislator's idea of statesmanship is to propose another boost of the gasoline tax.

Certain cigarettes may be soothing to the throat, but the testimonials give us a pain in the neck.

A new world language is called Ro. If all the words are of one syllable like that the headline writers will be strong for it.

Alabama prosperity note: Three bandits obtained \$25,000 in money and jewelry by holding up a crap game in Birmingham.

It is said that there are 500 professional fat women in the United States. Most of the ladies have retained their amateur standing, however.

We pass on to fellow paragraphers without comment the fact that President Fountain of the Arizona Milk Producers may be addressed in care of the Water Users Building in Phoenix.

A placid old lady who took life philosophically sat knitting in the drawing room. To her there came rushing her fifteen-year-old granddaughter.

"Oh, granny, granny," cried the girl, "father's just fallen off the roof!"

"I know, my child," replied the old lady, without even raising her eyes. "I saw him pass the window."—Tit-Bits.

Wife: "I thought, James, you were only going out for a second."

Husband: "Yes, dear. And I've had it."

THE DANGEROUS GROUND

you stand on—with a cough, a cold or gripe, and your blood impoverished. You must do something! Dr. Pierce's Golden Medical Discovery makes richer blood—builds health and strength.

Mrs. Beatrice Morrison of 418 Terry St., Dallas, Texas, remarked:—"Dr. Pierce's Golden Medical Discovery is a splendid family medicine and one that I generally keep in the house. I always give it to my children for coughs and colds. My little girl has been especially benefited by taking this medicine. Diphtheria left her with bronchial weakness and she got run down, thin and puny. I gave her the 'Golden Medical Discovery' and it built her up in health."

All druggists. Tablets or liquid. Send Dr. Pierce, Buffalo, N. Y., 10¢ if you desire a trial pkg. of tablets.

### THEIR REASON

Judge: "What possible excuse did you fellows have for acquitting that murderer?"

Juryman: "Insanity."

Judge: "What, the whole twelve of you?"

Help Keep Canyon Clean!

SHERIFF'S SALE

THE STATE OF TEXAS,

County of Randall.

By virtue of a certain Alias Execution issued out of the Honorable 47th District Court of Randall County, on the 10th day of April, 1929, by Berl E. Mayfield, Clerk of said Court against Kathaleen F. Hall, for the sum of Two Hundred and Thirty-Two and 47/100 (\$232.47) Dollars and costs of suit, in cause No. 1155 in said Court, styled Catherine F. Hall, and placed in my hands for service, I, John Fry, as Sheriff of Randall County, Texas, did, on the 10th day of April, 1929, levy on certain Real Estate situated in Randall County, described as follows, to-wit:

All those certain lots, tracts and parcels of land situate lying and being in the County of Randall, State of Texas, and a part of Gables No. 1, Addition to the City of Amarillo, Randall County, Texas, and being Lots:

Lot 4, Block 4; Lot 18, Block 6; Lots 1, 3, 8, 16, 17, 19, 22, Block 7; Lot 11, Block 8; Lot 13, Block 9; Lot 4, 7, 8, 9, 10, Block 10; Lot 4, 8, 9, Block 11; Lot 5, Block 12; Lot 6, 9, 11, Block 14; all in said Gables No. One Addition.

And levied upon as the property of said Kathaleen F. Hall. And on Tuesday, the seventh day of May, 1929, at the Court House door of Randall County, in the City of Canyon, Texas, between the hours of A. M. and four P. M. I will sell said real estate at public vendue, for cash, to the highest bidder, as the property of said Kathaleen F. Hall by virtue of said levy and said execution.

And in compliance with law, I give this notice by publication, in the English Language, once a week for three consecutive weeks immediately preceding said day of sale, in the Canyon News, a newspaper published in Randall County.

Witness my hand, this 10th day of April, 1929.

JOHN FRY, Sheriff, Randall County, Texas.

By T. V. Reeves, Deputy.

SHERIFF'S SALE

THE STATE OF TEXAS,

County of Randall.

By virtue of a certain Order of Sale issued out of the Honorable District Court of Potter County, on the 14th day of March, 1929, by J. C. Skillman, Clerk of said Court against Vivian McAlpin and Rip McAlpin for the sum of Nine Hundred Sixty Two and 83/100 (\$962.83) Dollars and costs of suit, in cause No. 6785 in said Court, styled A. L. Brannon versus Vivian McAlpin and Rip McAlpin and placed in my hands for service, I, John Fry as Sheriff of Randall County, Texas, did, on the 15th day of March, 1929, levy on certain Real Estate, situated in Randall County, described as follows, to-wit:

All of Lot Number 11, in Block Number 29, of the Edgefield Addition to the City of Amarillo, Potter County, Texas, as shown by the map or plat of said Addition, as recorded in the Deed Records of Randall County, Texas, and levied upon as the property of said Vivian McAlpin and Rip McAlpin.

And on Tuesday, the 7th day of May, 1929, at the Court House door of Randall County, in the City of Canyon, Texas, between the hours of ten A. M. and four P. M. I will sell said Real Estate at public vendue, for cash, to the highest bidder, as the property of said Vivian McAlpin and Rip McAlpin by virtue of said levy and said Order of Sale.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Canyon News, a newspaper published in Randall County.

Witness my hand, this 9th day of April, 1929.

JOHN FRY, Sheriff, Randall County, Texas.

NOW as never before you should be careful about lubrication

THE lubrication requirements of the present high speed motors are most exacting. With their fine adjustments, these motors will not operate efficiently with every oil. They require a lubricant which is made especially to meet the particular conditions which they have created.

That's why it's most important to always specify the oil you want—and it will pay you well to insist always on a brand which has back of it the resources and experience of the Continental Oil Company. Then you will always be sure to get the right oil—in the grade made especially for your motor.

Ask for these brands at the better service stations and garages.

CONTINENTAL OIL COMPANY

Producers, Refiners and Marketers

of high-grade petroleum products in Arizona, Arkansas, Colorado, Idaho, Kansas, Missouri, Montana, Nebraska, New Mexico, Oklahoma, Oregon, South Dakota, Texas, Utah, Washington, Wyoming

Conoco Motor Oil insures protection. It seals compression—saves gasoline—fights friction. Flows freely at low temperatures. Stands up under most intense cylinder heat. In short, does a complete lubricating job in all kinds of weather. Ask for the grade made especially for your car.

Conoco Amalie is 100% Pennsylvania Oil—refined from premium crudes by a special process. Universally recommended by automotive engineers and lubrication experts. Through exhaustive laboratory and road tests it has demonstrated its ability to lubricate properly under the most trying conditions of motor operation.

### IT'S DANGEROUS GROUND

you stand on—with a cough, a cold or gripe, and your blood impoverished. You must do something! Dr. Pierce's Golden Medical Discovery makes richer blood—builds health and strength.

Mrs. Beatrice Morrison of 4318 Terry St., Dallas, Texas, remarked:—"Dr. Pierce's Golden Medical Discovery is a splendid family medicine and one that I generally keep in the house. I always give it to my children for coughs and colds. My little girl has been especially benefited by taking this medicine. Diphtheria left her with bronchial weakness and she got run down, thin and puny. I gave her the 'Golden Medical Discovery' and it built her up in health."

All druggists. Tablets or liquid. Send Dr. Pierce, Buffalo, N. Y., 10c if you desire a trial pkg. of tablets

NOW as never before you should be careful about lubrication

THE lubrication requirements of the present high speed motors are most exacting. With their fine adjustments, these motors will not operate efficiently with every oil. They require a lubricant which is made especially to meet the particular conditions which they have created.

That's why it's most important to always specify the oil you want—and it will pay you well to insist always on a brand which has back of it the resources and experience of the Continental Oil Company. Then you will always be sure to get the right oil—in the grade made especially for your motor.

Ask for these brands at the better service stations and garages.

### CONTINENTAL OIL COMPANY

Producers, Refiners and Marketers of high-grade petroleum products in Arizona, Arkansas, Colorado, Idaho, Kansas, Missouri, Montana, Nebraska, New Mexico, Oklahoma, Oregon, South Dakota, Texas, Utah, Washington, Wyoming

Conoco Amalie is 100% Pennsylvania Oil—refined from premium crudes by a special process. Universally recommended by automotive engineers and lubrication experts. Through exhaustive laboratory and road tests it has demonstrated its ability to lubricate properly under the most trying conditions of motor operation.

EXTRA LIFE for your car

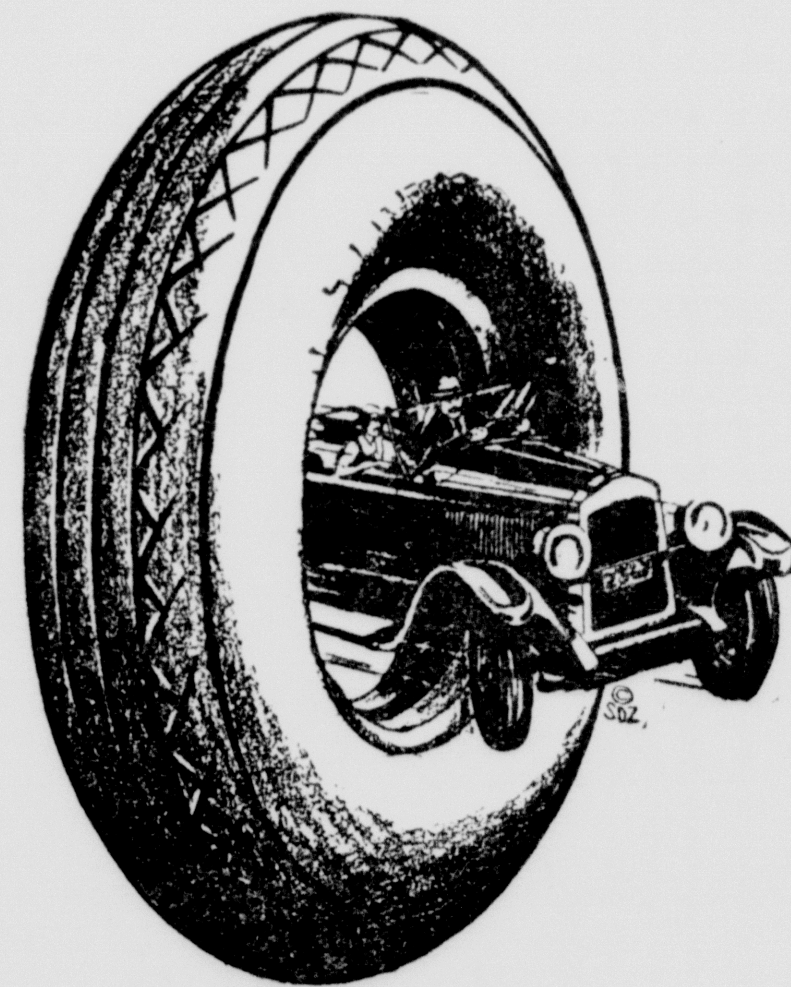

## GOOD THINGS TO EAT On Trades Day

You will enjoy your Trades Day in Canyon more if you come to see us and have a good wholesome dinner at noon.

Our Trades Day dinner will be a special.

Palace Cafe

"Coffee Fit to Drink"

## HOW AND WHY OF TIRES

You don't shop around and buy shoes from the merchant who gives you the lowest price on your size or the greatest allowance for your old shoes. Why buy tires that way?

There are no standard requirements in tire building. Any manufacturer can brand your size on any tire and put in any kind of material he chooses.

## QUALITY

should be your first consideration in buying tires over any other merchandise, because your comfort, safety, and freedom from delay and trouble depend on this quality.

No one can undersell U. S. Royal Cord—quality considered.

When a dealer offers you a tire claimed to be as good as U. S. Royal Cord at a lower price, no matter how the price is camouflaged with trading allowance or discount, ask yourself—HOW AND WHY?

U. S. ROYAL CORDS ARE SOLD AT

done much to improve inter-school relations, and especially has resulted in better feeling in competitive sports.

The league means to Canyon an opportunity to be of great service to the school children of the Panhandle, and undoubtedly is an unexcelled advertising feature for the town and the College, Mr. Lockhart said.

D. A. Shirley arranged the program for the meeting last Thursday and was the presiding officer.

## Rotary Dinner

(Continued from first page)

next twenty-five years will make it impossible for governments to start a world war similar to the conflict of 1914-1918. He urged the Canyon club, chartered only a few months ago, to study the principles of Rotary so as to receive every benefit of the organization.

Mr. Hill, the last speaker, complimented the Lubbock group on its attendance record, which is outstanding in this district. He explained the purpose behind the inter-city meeting as an effort to strengthen the bond between the cities of the Panhandle-Plains area so that they might become an active civic unit, working for the good of the entire state.

Friendship, fellowship, and understanding between the cities of the area can be accomplished thru fealty to the Rotary ideals, he said, and will entirely eliminate harmful inter-city competition.

The proposed park in the Palo Duro Canyon could be quickly realized if the entire area became interested and worked for it as a unit, he said.

Pleading that community rivalry be put aside, Mr. Hill said, "We want this community and this college to be a part of progressive northwest Texas. Where we can serve we shall be glad to be called," he said.

## Track Meet

(Continued from page one)

in jumping 6 feet 3½ inches will renew the battle this week.

Tech and A. C. C. are well fixed for all the field events. W. T. is weaker than in many years, but in Keith, Bennett, Lowes, and Miller the Buffs have sure point winners.

Due to illness from which Coach Burton is suffering, Coach Jones will be in charge of the meet which is to be a blanket tax attraction.

The new track and field of W. T. in front of the grandstand will facilitate the handling of the events, and also make it more convenient for the spectators.

## Canyon Plant Farm

Southwest corner town section, Route 1. Cabbage and Tomatoes now ready. 35c to 50c per hundred. Pepper later. C. W. Rowell. 4p2

## BAKE SALE

Ladies of the Christian Church will hold a bake sale and flower sale on May 11, just preceding Mother's Day, at the City Market according to an announcement today by members of the group.

## NOTICE

You are hereby notified to attend a meeting for the purpose of organizing and electing officers for a Consumers Fuel Association at Canyon, in the County Court House on Saturday, April 27, 1929, at 8 p. m.

Temporary Committee.

## They May Call You

When the firemen call, dress for action, it is too late to think of insurance. The loss may be large—or the loss may be small—but a loss nevertheless unless you have your home and personal property well insured. Winter is the season of the year when fire losses are greatest. Putting off taking out a fire insurance policy is a gamble which no one can afford. Let us explain the economy which may be enjoyed in various kinds of policies.
